**June 2025**

## **Preface**

This document is intended as a companion to the June 2025 Plan of Training for the **Heavy Equipment Operator** trade. It identifies the necessary tools and equipment required by apprentices and training institutions for the completion of apprenticeship.

## **Acknowledgements**

Advisory committees, industry representatives, instructors and apprenticeship staff provided valuable input to the development of this document. Without their dedication to quality apprenticeship training, this document could not have been produced.

We offer you a sincere thank you.
