

# OCCUPATIONAL TOOLS AND EQUIPMENT LIST

## Instrumentation and Control Technician

Government of Newfoundland Labrador  
Department of Education and Early Childhood Development  
Apprenticeship and Trades Certification Division

December 2024

## **Preface**

This document is intended as a companion to the December 2024 Plan of Training for the Instrumentation and Control Technician trade. It identifies the necessary tools and equipment required by apprentices and training institutions for the completion of apprenticeships.

## **Acknowledgements**

Advisory committees, industry representatives, instructors and apprenticeship staff provided valuable input to the development of this document. Without their dedication to quality apprenticeship training, this document could not have been produced.

We offer you a sincere thank you.
