Dear Leon Hodder:

**RE: Birchy Bay Quarry (the Project) Water Resources Management Plan**

On April 26, 2024, the Project was released from environmental assessment, subject to conditions. One of the conditions required L & E Trucking and Excavation Ltd. to submit a Water Resources Management Plan (WRMP) prior to commencing any work related to the Project.

On May 3, 2024, L & E Trucking and Excavation Ltd. submitted a WRMP to the Water Resources Management Division (WRMD) of this department. I am advising you that this plan has been reviewed and approved.

You must abide by the commitments made in the WRMP and in all environmental assessment submissions. You must also comply with all terms and conditions of the April 26, 2024, decision letter. Any significant change to the WRMP or to the Project must be submitted to this department, prior to construction, to be reviewed for regulatory requirements including environmental assessment.

If you have any questions concerning these matters, please contact Joanne Sweeney, Director of the Environmental Assessment Division, at (709) 729-0673 or e-mail [joannesweeney@gov.nl.ca](mailto:joannesweeney@gov.nl.ca).

Sincerely,
