3 Scope

- 3.1 The EA Release letter relates to the Proponent and the REG for the Dover Fibreglass Manufacturing Facility, EA REG # 2311, hereafter referred to as the "Project".
- 3.2 The Proponent shall ensure the Project is carried out in accordance with this EA Release and the REG.

4 General

- 4.1 The Proponent shall uphold all commitments made in the EA submission to mitigate the effects of the Project on the environment.
- 4.2 The Proponent shall conduct the Project in accordance with the **Act**, as amended from time to time.
- 4.3 The Proponent shall provide written notification to the Department prior to the commencement of Project construction, by sending an email to EAProjectComments@gov.nl.ca.
- 4.4 The Proponent shall update the EA Division on the status of the Project, including a copy of all permits, licenses, certificates, approvals and other authorizations required for the Project, within one year from the date of this EA Release letter and provide additional updates if required. Please email the Project updates to EAProjectComments@gov.nl.ca.
- 4.5 This EA Release does not exempt a Proponent of a Project from the requirements imposed upon the Project by (a) another Act or regulation of the province or of Canada; or (b) a municipal regulation, by-law or requirement.
- 4.6 A license, permit, approval or other document of authorization pertaining to this Project shall not be issued under another Act until the Project has been exempted or released from EA.
- 4.7 Prior to a proposed change to any aspect of the Project from that proposed in the Registration document, the Proponent must submit the proposal to the Department to review for regulatory requirements, including EA.
- 4.8 No authority is granted by this EA Release to enable the Proponent to commence or continue the Project on lands which are not in the control or ownership of the Proponent. It is the responsibility of the Proponent to ensure that such a contravention does not occur.
- 4.9 The Proponent shall notify the Minister before a transfer, sale or lease of the Project.
- 4.10 Where a timeline is associated with a condition(s) of the EA Release, the Proponent shall fulfil the requirements of the condition(s) within the prescribed timeline, unless otherwise authorized in writing by the Minister.
- 4.11 If there is a discrepancy between the Registration document and the conditions of this EA Release, the conditions of this EA Release shall apply.
- 4.12 The Proponent shall bear all expenses incurred in carrying out the environmental management and monitoring required under the conditions of this EA Release, the **Act** or the Regulations.
- 4.13 The Proponent shall ensure that this EA Release, or a copy, is present at the Project site while personnel are on site and that personnel directly involved in the Project are made fully aware of the conditions which pertain to this EA Release.

- 4.14 Throughout the life of the Project, the Proponent shall conduct any additional studies or monitoring and/or implement additional mitigation measures as required by the Minister.
- 4.15 The Proponent shall advise the EA Division by emailing a written description, documents, and images (where applicable) to demonstrate when the requirements of the conditions of Release have been completed to EAProjectComments@gov.nl.ca. The Minister will then determine whether the conditions have been met.

5 Waste Management

- 5.1 The Department of Environment and Climate Change, Pollution Prevention Division (PPD), requires that a Waste Management Plan be submitted for review and approval prior to Project commencement. Please refer to the information provided in Attachment C - Regulatory Advice from Government Agencies, regarding the development of a Waste Management Plan. For more information contact the PPD at (709) 729-1810.

6 Water Resources Management

- 6.1 The Department of Environment and Climate Change, Water Resources Management Division, requires that a Water Resources Management Plan be submitted for review and approval prior to commencing any work related to this Project. To prepare the plan, contact Water Rights, Investigations and Modelling Section at waterinvestigations@gov.nl.ca.
