Dear Sheila White-Parr:

RE: Upper Humber Remote Cabin (the Project)

Your proposal has been reviewed by an interdepartmental environmental assessment screening committee and an opportunity to comment has been provided to the public as required by Part X of the Newfoundland and Labrador **Environmental Protection Act, SNL 2002, cE-14.2**. Please be advised that the Project is released from further environmental assessment subject to the conditions as outlined in Attachment A.

You must comply with all relevant legislation and obtain all necessary permits and approvals. You must inform this department of any proposed significant changes to the Project.

Please note that in accordance with Section 17 of the Environmental Assessment Regulations, the decision is valid for a period of three years from the date of this letter. Should the term of the decision expire, the Project will have to be registered again for environmental assessment, if you wish to proceed.
