**Environmental Assessment Bulletin**

The Honourable Chris Tibbs, Minister of Environment, Conservation and Climate Change, has announced the following relative to Environmental Assessment - Part 10 - of the **Environmental Protection Act**.

**Undertakings Registered:**

**King's Point Shoal Pond Road Bypass** (Reg. 2378)  
**Proponent: New Found Gold Corporation**

The proponent is proposing to upgrade an existing 2.1-kilometer trail located approximately 5 kilometers southwest of King's Point. The upgrade would involve widening the trail to accommodate two-lane vehicle access to Shoal Pond Valley and would bypass a 1.5-kilometer section of Shoal Pond Road. Proposed project activities include upgrading an existing wooden bridge on Fox Pond Brook, widening the trail to a Class 2 road standard, excavating ditches, and removing vegetation and grubbing. A description of the project can be found on the Department of Environment, Conservation and Climate Change website at: <https://www.gov.nl.ca/eccc/env-assessment/projects-list/>.

The undertaking was registered on November 28, 2025. The deadline for public comment is January 2, 2026, and the minister's decision is due by January 12, 2026.

**Indian Brook Remote Cottage** (Reg. 2377)  
**Proponent: Ben Callahan**

The proponent is proposing to reconstruct a remote cottage for recreational purposes along Indian Brook, approximately 8 kilometres east of Sheppardville, off the Trans-Canada Highway. The proposed project would involve selective land clearing for the construction of the cottage and use of the existing driveway. A description of the project can be found on the Department of Environment, Conservation and Climate Change website at: <https://www.gov.nl.ca/eccc/env-assessment/projects-list/>.

The undertaking was registered on November 28, 2025. The deadline for public comment is January 2, 2026, and the minister's decision is due by January 12, 2026.
