## ENVIRONMENTAL ASSESSMENT BULLETIN

Environment Minister Kevin Aylward has announced the following events relative to the Environmental Protection Act.

### UNDERTAKINGS RELEASED:

- 2002 Mimic Forest Spray Program For Hemlock Looper  
Proponent: Department of Forest Resources and Agrifoods
- 2002 Neemix 4.5 Forest Spray Program For Balsam Fir Sawfly  
Proponent: Department of Forest Resources and Agrifoods

The above projects have been released from further environmental assessment subject to obtaining any other permits and approvals from municipal, provincial, or federal authorities. The Department of Forest Resources and Agrifoods must obtain a Pesticide Operators Licence under the Environmental Protection Act. The Pesticide Operators Licence will stipulate environment protection measures such as:

- no-spray buffer zones around all water bodies
- public notification requirements of the spray program:
  - advertising in local paper
  - posting signs in areas to be treated
  - verbal notification to adjacent dwelling owners
  - toll-free information number.

Further information may be obtained by contacting:
