

DAVIS SAND & GRAVEL LTD.  
P.O. BOX 37  
HARE BAY, NL  
A0G 2P0

April 29, 2012

Director of Environmental Assessment  
Minister of Environment & Conservation  
P.O. Box 8700  
St. John's, NL  
A1B 4J6

Dear Sir/Madam:

**RE: Permit # 124153 File# 200.20.2021**

Please find enclosed the required information for registration with your department.

Davis Sand & Gravel Ltd. Through and in consultation with the Department of Mines & Energy has made an application for the extension for our current quarry which is located 2 km off the Trans Canada Highway at Mint Brook Road. The area has facilitated quarry work for many years and is one of the few good sources of material in our locale. Application is being made simply because favourable material within our current quarry is becoming exhausted.

Without an extension this area, we and others accommodated through subordinate permits, would have to look to opening up other new areas, which in probability would be more of an impact to the environment.

Further to our application with the Department of Mines & Energy it is our understanding that all other approvals from the required departments or concerned authorities have been granted.

Sincerely,

Jeffrey Davis  
Owner/Operator

Name of Undertaking: Gravel Pit/Quarry Ext.

**Proponent:**

- i) Name of Corporate Body: Davis Sand & Gravel Ltd.
- ii) Address: P.O. Box 37, Hare Bay, NL, A0G 2P0
- iii) Chief Executive Officer:  
Name: Jeffrey Davis  
Official Title: Owner  
Address: P.O. Box 37, Hare Bay, NL, A0G 2P0  
Tel. No: 709-537-2070 or 709-424-1059 (cell)
- iv) Principal Contact Person for purposes of environmental assessment:  
Name: Jeffrey Davis  
Official Title: Owner  
Address: P.O. Box 37, Hare Bay, NL, A0G 2P0  
Tel No: 709-537-2070 or 709-424-1059 (cell)

**The Undertaking:**

- i) Name of the Undertaking: Make gravel pit larger.
- ii) Purpose/Rationale: Need for undertaking: Suitable material within existing boundary becoming exhausted.

**Description of the Undertaking:**

- i) Geographical Location  
  
2 kms from TCH on Mint Brook Road.  
  
Sign on right hand side of the road.

ii) **Physical Features:**

- No major physical features are to be part of the undertaking, as it is the extension of an existing quarry.
- Area to be affected does not contain heavy growth.
- Biological environment has no particular wildlife species, fish, etc....and does not affect any body of water, river or brook.

iii) **Construction:** N/A

iv) **Operation:**

- The operation (on going during the construction seasons) is to be the excavation and removal of the quarry materials.
- Whereas the operation is small with normally having 1-2 pieces of equipment operating, the potential for environmental pollutants and resource conflicts are minimal.

v) **Occupations**

- 1-2 excavation equipment operator(s).

vi) **Project Related Documents**

- Prior quarry permit only.

**Approval of the Undertaking:** All other responses, and Government Department approvals are in place and accompanying the application as filed with Department of Mines and Energy for execution and quarry permits.

**Schedule:** Quarry would be ongoing beginning in the 2012 construction season.

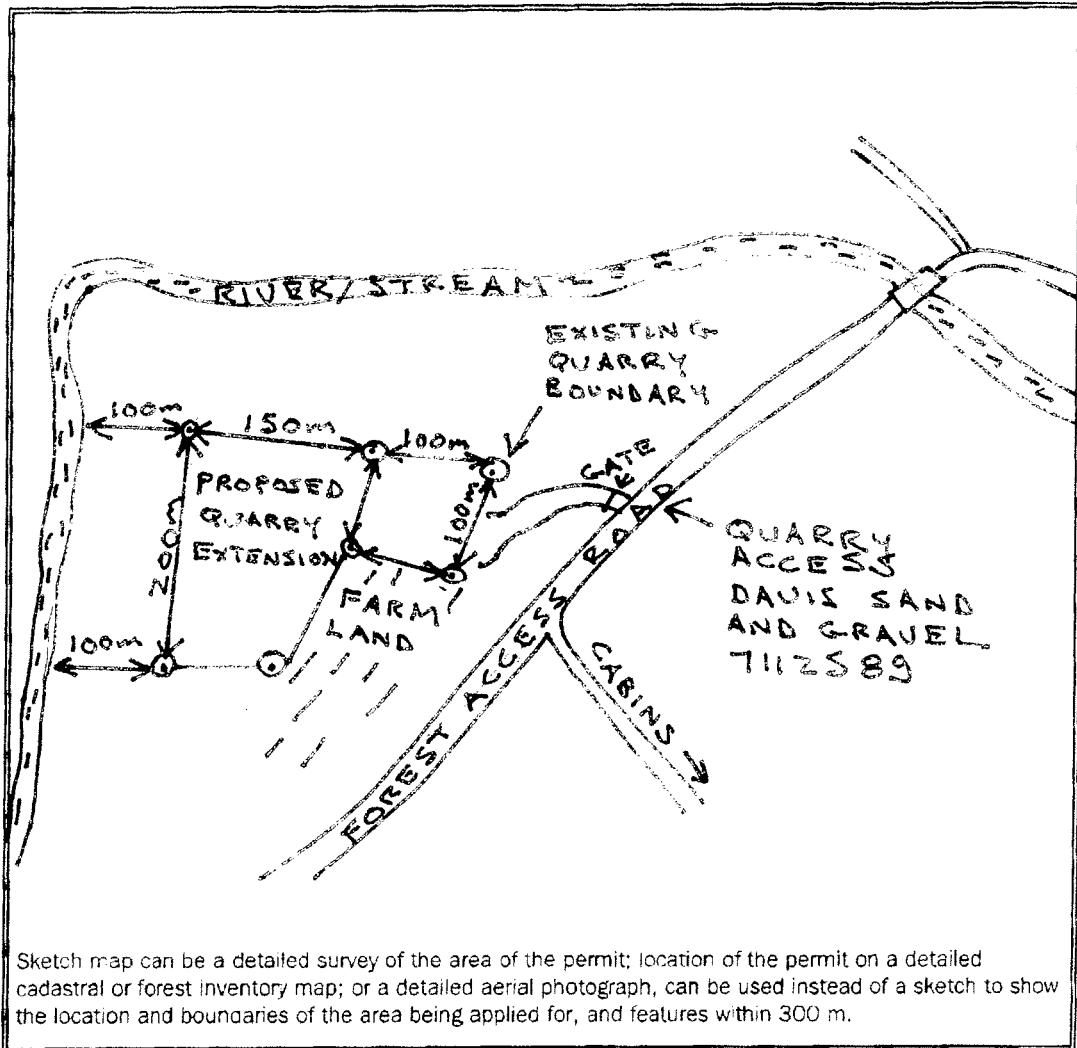

**Funding:** No funding required.
