Dear Mr. Downer:

Re: Terra Nova Road Quarry – Registration 1888

Your proposal has been reviewed by an interdepartmental screening committee and an opportunity to comment has been provided to the public as required by the Newfoundland and Labrador *Environmental Protection Act*, SNL 2002, cE-14.2. Please be advised that this undertaking is **released** from further environmental assessment subject to the following conditions:

- A Water Resources Management Plan for the site must be approved by the Water Resources Management Division prior to the start of construction.
- Vegetation must not be cleared between April 7th and August 15th .

Although the undertaking, as proposed, is released from further environmental assessment, it is still subject to other legislative requirements. A summary of the comments received from government agencies during the review is attached to provide an indication of likely applicable permits, approvals and legislative requirements.

You are advised to contact the manager of the Water Rights, Investigations and Modelling Section, Water Resources Management Division at (709) 729-2295 for guidance on the requirements of Water Resources Management Plan.

You are encouraged to refer to the BizPaL website at www.bizpal.ca. BizPaL is an online tool that generates a list of permits, licences and authorizations that may be required when starting or expanding a business. You are also encouraged to contact Canada Business Newfoundland and Labrador (CBNL) for any additional information you may need in dealing with various levels of government. CBNL serves as a first point of access to federal and provincial government services, programs and regulatory requirements for business. CBNL can be reached by telephone at 1-888-576-4444 or online at www.canadabusiness.gc.ca.

Please note that you must comply with all relevant legislation and obtain all necessary permits and approvals. You are required to inform this Department of any proposed significant changes to the undertaking.

If you have any questions concerning these matters, please contact Dr. Susan Squires, Director (Acting), Environmental Assessment Division at (709) 729-0673.

Sincerely,

EDDIE JOYCE, MHA
District of Humber West
