Mr. Tony Mulrooney  
Mega Healthy Cranberry Farm  
13 Crewes Road  
Glovertown NL A0G 2L0

Dear Mr. Mulrooney:

**Re: Glovertown Cranberry Farm**

Your proposal has been reviewed by an interdepartmental screening committee and an opportunity to comment has been provided to the public as required by the Newfoundland and Labrador *Environmental Protection Act*, SNL 2002, cE-14.2. Please be advised that this undertaking is **released** from further environmental assessment subject to the following condition:

- Provision of project specific Integrated Pest Management Plan that has been approved by the Fruit Crop Development Officer and Provincial Apiarist, Department of Fisheries and Land Resources prior to the start of construction.

Although the undertaking, as proposed, is released from further environmental assessment, it is still subject to other legislative requirements. A summary of the comments received from government agencies during the review is attached to provide an indication of likely applicable permits, approvals and legislative requirements.

You must comply with all relevant legislation and obtain all necessary permits and approvals. In particular, you are advised that your project is within a 100 metre no-cutting buffer of the Terra Nova River. You are encouraged to contact the Forestry office in Gambo at 709-674-4625 for more information on the potential implications of this restriction on your project. You are required to inform this Department of any proposed significant changes to the undertaking.

If you have any questions concerning these matters, please contact Dr. Susan Squires, Director (Acting), Environmental Assessment Division at (709) 729-0673 or [susansquires@gov.nl.ca](mailto:susansquires@gov.nl.ca).

Sincerely,

A handwritten signature in black ink that reads "Eddie Joyce".
