Dear David Soper:

RE: Trinity Bay Ferrish Cove ATV Trail (the Project) Environmental Protection Plan

On December 5, 2024, the Project was released from environmental assessment, subject to conditions. One of the conditions required that you submit an Environmental Protection Plan (EPP) prior to commencing any work related to the Project.

On April 25, 2024, you submitted an EPP to the department of Fisheries, Forestry and Agriculture. I am advising you that this plan has been reviewed and approved.

You must abide by all commitments made in the EPP and in all environmental assessment submissions. You must also comply with all terms and conditions of the December 5, 2024, decision letter. Any significant change to the EPP or to the Project must be submitted to this department prior to construction, to be reviewed for regulatory requirements including environmental assessment.

If you have any questions concerning these matters, please contact Joanne Sweeney, Director of the Environmental Assessment Division, at (709) 729-0673 or e-mail joannesweeney@gov.nl.ca.

Sincerely,

HON. DR. SCOTT REID, MHA
