Dear Sean Leet:

**RE: Port au Port-Stephenville Wind Power and Hydrogen Generation Project
(Project Nujio'qonik GH2)**

Enclosed are the Guidelines for the preparation of the Environmental Impact Statement (EIS) for the Port au Port-Stephenville Wind Power and Hydrogen Generation Project (Project Nujio'qonik GH2). The Guidelines were informed by the comments received during the public review period and consultations with the Environmental Assessment Committee.

You may now proceed with preparation of the EIS, which must be submitted and approved prior to the commencement of Project construction. The Environmental Assessment Committee that has been appointed for the Project would be pleased to meet with you at your request and convenience to discuss the information requirements of the EIS guidelines.

If you have any questions concerning these matters, please contact Eric Watton, Chair of the Project Environmental Assessment Committee by phone at (709) 729-0834 or via email at ericwatton@gov.nl.ca.

Sincerely,

HON. BERNARD DAVIS, MHA
