Dear Lori Whalen:

**RE: Burgeo Rifle Range Site Remediation (the Project) Water Resources
Management Plan**

On February 16, 2024, the Project was released from environmental assessment, subject to conditions. One of the conditions required the Department of National Defence to submit a Water Resources Management Plan (WRMP) prior to commencing any work related to the Project.

On September 11, 2024, the Department of National Defence submitted a final WRMP to the Water Resources Management Division of this department. I am advising you that this plan has been reviewed and approved.

You must abide by all commitments made in the WRMP and in all environmental assessment submissions. You must also comply with all terms and conditions of the February 16, 2024, decision letter. Any significant change to the WRMP or to the Project must be submitted to this department prior to construction, to be reviewed for regulatory requirements including environmental assessment.

If you have any questions concerning these matters, please contact Joanne Sweeney, Director of the Environmental Assessment Division, at (709) 729-0673 or e-mail joannesweeney@gov.nl.ca.

Sincerely,

HON. LISA DEMPSTER, MHA
