Dear William Farrell:

RE: White Hill Pond FEL Quarry (the Project) Water Resources Management Plan and Complaint Resolution Plan

On May 17, 2024, the Project was released from environmental assessment, subject to conditions. Two conditions of release required Farrell's Excavating Ltd. to submit a Water Resources Management Plan (WRMP) and a Complaint Resolution Plan (CRP) prior to commencing any work related to the Project.

On February 25, 2025, Farrell's Excavating Ltd. submitted a WRMP to the Water Resources Management Division of this department. On May 8, 2025, Farrell's Excavating Ltd. submitted a CRP to the Environmental Assessment Division of this department. I am advising you that both plans have been reviewed and approved.

You must abide by all commitments made in the WRMP and the CRP, as well as in all environmental assessment submissions. You must also comply with all terms and conditions of the May 17, 2024, decision letter. Any significant change to the WRMP, CRP, or to the Project must be submitted to this department prior to construction, to be reviewed for regulatory requirements including environmental assessment.

If you have any questions concerning these matters, please contact Joanne Sweeney, Director of the Environmental Assessment Division, at (709) 729-0673 or e-mail joannesweeney@gov.nl.ca.

Sincerely,

HON. DR. SCOTT REID, MHA
