**3 Scope**

- 3.1 The EA release letter relates to New Found Gold Corp., hereafter referred to as the "Proponent", and their Registration document (REG) for Gander Area Queensway North Mineral Exploration, EA REG # 2343, hereafter referred to as the "Project".
- 3.2 The Proponent shall ensure the Project is carried out in accordance with this EA release and their REG.

## 4 General

- 4.1 The Proponent shall uphold all commitments made in the EA submission to mitigate the effects of the Project on the environment, including the commitments to maintain the following undisturbed minimum buffers: a 30-metre buffer on all waterbodies and wetlands that appear on 1:50,000 National Topographic Systems maps or on the topographical mapping layer of the Provincial Land Use Atlas; a 100-metre buffer from the Gander River; a 300-metre buffer from the high water mark around Gander Lake; and a 300-metre buffer from the high water mark around salmon pools along Gander River.
- 4.2 The Proponent shall conduct the Project in accordance with the **Act**, as amended from time to time.
- 4.3 The Proponent shall provide written notification of Project commencement to the Department, prior to the commencement of Project construction, by sending an email to [EAProjectComments@gov.nl.ca](mailto:EAProjectComments@gov.nl.ca).
- 4.4 The Proponent shall update the EA Division on the status of the Project, including a copy of all permits, licenses, certificates, approvals and other authorizations required for the Project, within one year from the date of this EA release letter and provide additional updates if required. Project updates shall be emailed to [EAProjectComments@gov.nl.ca](mailto:EAProjectComments@gov.nl.ca).
- 4.5 This EA release does not exempt a Proponent of a Project from the requirements imposed upon the Project by (a) another Act or regulation of the province or of Canada; or (b) a municipal regulation, by-law or requirement.
- 4.6 A license, permit, approval or other document of authorization pertaining to the Project shall not be issued under another Act until the Project has been exempted or released from EA.
- 4.7 Prior to a proposed change to any aspect of the Project from that proposed in the REG, the Proponent must submit the proposal to the Department to review for regulatory requirements, including EA.
- 4.8 No authority is granted by this EA release to enable the Proponent to commence or continue the Project on lands which are not in the control or ownership of the Proponent. It is the responsibility of the Proponent to ensure that such a contravention does not occur.
- 4.9 The Proponent shall notify the Minister before a transfer, sale or lease of the Project.
- 4.10 Where a timeline is associated with a condition(s) of the EA release, the Proponent shall fulfil the requirements of the condition(s) within the prescribed timeline, unless otherwise authorized in writing by the Minister.
- 4.11 If there is a discrepancy between the REG and the conditions of this EA release, the conditions of this EA release shall apply.

- 4.12 The Proponent shall bear all expenses incurred in carrying out the environmental management and monitoring required under the conditions of this EA release, the **Act** or the Environmental Assessment Regulations.
- 4.13 The Proponent shall ensure that this EA release, or a copy, is present at the Project site while personnel are on site and that personnel directly involved in the Project are made fully aware of the conditions which pertain to this EA release.
- 4.14 Throughout the life of the Project, the Proponent shall conduct any additional studies or monitoring and/or implement additional mitigation measures as required by the Minister.

## 5 Road Access

- 5.1 Project activities shall not restrict access to the existing roads for other road users in the area. For further information, please contact the Crown Lands Division of the Department of Fisheries, Forestry and Agriculture (FFA) at (709) 637-2950.

## 6 Habitat, Flora and Fauna

- 6.1 Vegetation clearing is not to occur within 800 metres of a bald eagle or osprey nest during the nesting season (March 15 to July 31) or within 200 metres during the remainder of the year. The 200-metre buffer applies to all other raptor nests (e.g., Northern Goshawk, Sharp-shinned Hawk, Merlin, American Kestrel, Great-horned Owl, Boreal Owl, Northern Saw-whet Owl). The location of those raptor nest sites shall be reported to the Wildlife Division at [Wildlifereferral@gov.nl.ca](mailto:Wildlifereferral@gov.nl.ca). For further information, please contact the Wildlife Division of FFA at (709) 637-2950.
