## Data Collection Methodology

The data is collected using the School Development Surveys completed by students (Gr. 3-12), families, instructional staff, and non-instructional staff.

**Response Rates:** Gr. 3-6: 86% Gr. 7-9: 73% Gr. 10-12: 64% Instructional Staff: 80%\* Family: 25%<sup>^</sup>

\*The response rate for non-instructional staff is not available.

<sup>^</sup>Families with more than one child in a school may complete the survey once for the oldest child in that school.

Let's talk about it...jot your ideas here!

**What stands out for you when you review this information?**

**What do you think a safe, caring, and inclusive environment looks like, sounds like, and feels like?**

**How does knowing they are in a safe, caring, and inclusive school environment impact how students experience school and learning?**
