

A Guide to Indicators 2009/10 and Pull-Out Pages

- School level indicators appear in a series of pull-out pages found at the end of the report.
- Each school is grouped into a school type based on grades offered.

Kindergarten (K) – 12 - All grades.

Primary - Any combination of grades between Kindergarten to Grade 3, 4 or 5 with no higher grades present.

Elementary - K-6 to K-9 or any combination in this range.

Intermediate - Typically includes Grades 7-9.

Secondary - Any combination of grades between Grade 7 to Level I, II or III

Senior High - Grades 9 – Level III or Levels I – III.

Private, First Nations and other - Includes private schools, First Nations schools as well as the NL School for the Deaf, and the NL Youth Centre.

- Each pull-out contains a core group of indicators for each school. Depending on the grade configurations of each pull-out and space limitations, each pull-out may consist of different indicators. This document, and the entire set of indicators, can be viewed or downloaded at

- All data are based on the 2009/10 school year. The information provided is current as of October 2010 unless otherwise noted. In addition to school level indicators, the provincial level results are presented as the last row in each pull-out.
- Unless otherwise noted, provincial data are based on information provided in the annual *Education Statistics* report published by the Department of Education.
- Data are not reported in cases where scores are based on five or fewer students.
- For new schools, data are displayed only if the test or survey was administered after the school opened.
- In the tables included at the end of the report, the percentages may not total 100% due to rounding error.
