

APPENDIX

Regional Economic Development Zones

The Province's Strategic Economic Plan, *Change and Challenge* (1992), and the report of the Community Economic Development (CED) Task Force, *Community Matters: the New Regional Economic Development* (1995) established zones for economic planning led by community-based volunteer boards. Table 1 provides the numbers of students, teachers and schools by the 20 regional economic development zones. Refer also to Table 40 for information on recent graduates by zone.
