Total	7,714	17.8	3,897	9.5	11,611	14.3

¹ Percentage of students receiving special education services is a ratio of students receiving such services to the total enrolment in the school.² Although a student's needs may be reflective of more than one category, the student is represented under a single category only (based on the primary handicapping condition).³ Percentage of students receiving special education services is a ratio of students receiving such services to the total enrolment in the school. Students with exceptional abilities who receive support are not included.
