¹ Students who previously attended Senior High School for at least three years.² Reflects policy changes in special education, 1989-90 to 1997-98. Students receiving special education services and not instructed in regular classrooms (see tables 24-27 for the total number of students receiving special education services). Since 1998-99 all students receiving special education services have been reported in their age appropriate grade or the highest grade in the school.³ Commercial program. This program was phased out in 1983-84.
