

Ceremony in Marystow for Kaetlyn Osmond

VOCM, February 5, 2014

There was a special ceremony in Marystow last night to extend best wishes to local skater Kaetlyn Osmond who will be performing at the Winter Olympics in Sochi this weekend. First there was a cake cutting and then a collective message that was videotaped for transmission to Sochi, which said it all. VOCM's Bob Power has this report.

Family, friends and well-wishers decked out in Team Canada Red Jerseys filled the council chamber at the municipal centre last night to extend their best wishes. Members of the Marystow Council, along with Burin Placentia West MHA and Education Minister Clyde Jackman, were among those on hand for the ceremony.

Plans are also being organized for a live viewing of Kaetlyn's performance this Saturday at noon. Supporters are invited to St. Gabriel's Hall to see Kaetlyn skate on a giant 16ft screen. After winning two national titles, Kaetlyn is already proving to be an inspiration to young skaters.
