

## AMENDMENTS AND CORRECTIONS

**Author Correction:** “Rare-element-enriched Pegmatites in Central Newfoundland”, by Z. Magyarosi originally published in April, 2020 (Current Research Report 2020-1).

In the version of the article initially published Plate 5E and corresponding plate caption were erroneously submitted. This plate and corresponding plate caption have now been updated in the original file (May, 2024) to amend this error.
