

# Join Us at the NL Pavilion at AME Roundup 2026

The **Department of Energy and Mines** is pleased to invite you to showcase your **Newfoundland and Labrador-based mineral exploration projects** as part of our booth delegation at the **AME Roundup Conference and Trade Show**.

This is an excellent opportunity to connect with a wide network of industry professionals and highlight your company's expertise on a global stage. As a valued participant in the NL Pavilion, you'll enjoy these benefits **at no cost**:

- ▶ **Shared Booth Space** – Display your company literature and access a touch-screen console with internet connectivity.
- ▶ **Digital Visibility** – Feature your project on a monitor for added exposure.
- ▶ **Complimentary Exhibitor Pass** – Receive an Exhibit Hall Pass for one company representative.
- ▶ **Flexible Participation** – No staffing obligations – drop by or stay at your convenience.

---

#### **Event Details:**

Vancouver Convention Centre, East Building  
January 26–29, 2026

If you're planning to attend **Roundup 2026** and want to be part of the NL Pavilion, please contact [MonicaSquires@gov.nl.ca](mailto:MonicaSquires@gov.nl.ca) by **January 12, 2026**, for more details.

We look forward to highlighting Newfoundland and Labrador together!
