AUTHORIZATION

Whereas the Minister of Energy and Mines has jurisdiction under the *Petroleum Drilling Regulations*, ("the Regulations").
In accordance with section 32 of the Regulations, the operator named in the Application is authorized to undertake the proposed well program described above subject to the following conditions:

1. This Authorization shall be prominently displayed at the well site at all times during which operations are being conducted;

2. Copies of all logs and well test data shall be submitted to the director by the operator promptly after their acquisition;

3. Evidence of financial responsibility in a form satisfactory to the Director, shall be provided prior to commencing re-entry operations

4. This ARW is for re-entry operations of the well originally approved under Drilling Program Approval No.

5. No change in the well program hereby approved may be made unless it is first approved by the director in writing;

6. This ARW approval shall, unless otherwise extended or terminated, expire upon the _____ day of _____, 20____.

7. This Authorization is conditional on the operator commencing operations within 120 days of the effective Authorization date; and

8. The operator shall comply with such other conditions as are appended to this Authorization.
