TERRAIN SCIENCES

1. **M. Batterson and D. Taylor** Surficial geology and geochemical sampling in the Grand Falls to Glenwood areas (NTS 2D/13, 2D/14, 2E/3) 1
2. **M.J. Ricketts** Aggregate and surficial mapping in NTS map areas 13E/1, 13F/3 and 13F/4, Labrador 9

GEOCHEMISTRY / GEOPHYSICS

3. **J.W. McConnell** Results of a regional soil survey over a gold and base-metal terrain in northwest Labrador 21

MINERAL DEPOSITS

4. **D.T.W. Evans and C. Wells** Epigenetic gold mineralization, Baie Verte Peninsula, Newfoundland 39
5. **A. Kerr** Petrology of magmatic sulphide mineralization in northern Labrador: preliminary results 53
6. **J. Meade, D.T.W. Evans and D.H.C. Wilton** Romeo and Juliet prospect, Baie Verte Peninsula, Newfoundland 77

REGIONAL GEOLOGY-NEWFOUNDLAND

7. **B.H. O'Brien** How deeply buried are prospective arc volcanic rocks in the western Wild Bight Group? 85
8. **S.J. O'Brien, B. Dubé, C.F. O'Driscoll and J. Mills** Geological setting of gold mineralization and related hydrothermal alteration in late Neoproterozoic (post-640 Ma) Avalonian rocks of Newfoundland, with a review of coeval gold deposits elsewhere in the Appalachian Avalonian belt 93

REGIONAL GEOLOGY-LABRADOR

9. **C.F. Gower** Geology of the Upper Eagle River map region, Grenville Province, southeast Labrador 125
10. **B. Ryan, E. Phillips, J. Shwetz and G. Machado** A tale of more than ten plutons [Geology of the region between Okak Bay and Staghorn Lake, Labrador (parts of NTS maps 14E/2, 7, 8)] 143

GENERAL SUBJECTS

11.	N. Catto Surficial geology of the Merasheen–Harbour Buffett–Sound Island map areas: an update	173
12.	C. Finch Inductively Coupled Plasma-Emission Spectrometry (ICP-ES) at the Geochemical Laboratory	179
13.	A. Harris and S. Cochrane Core-Storage Program, 1997	195
14.	C. Patey and C. Saunders Documents and databases of the Geoscience Publications and Information Section, Geological Survey, Newfoundland and Labrador	199
15.	G. Stapleton, J.L. Smith and C.F. O'Driscoll Mineral Occurrence Data System	201

ERRATUM

16.	S. Piercey, G. Jenner and D. Wilton The stratigraphy and geochemistry of the southern Pacquet Harbour Group, Baie Verte Peninsula, Newfoundland: Implications for mineral exploration	207
