

CONTENTS

I. LABRADOR MAPPING SECTION

1. Bailey, D.G..	1
The geology of the Walker Lake-Maclean Lake area (13K/9, 13J/12), Central Mineral Belt, Labrador	
2. Cherry, M..	9
Geological mapping in the Sandwich Bay area, southeastern Labrador	
3. Evans, J.L.	16
Geological mapping of the Dyke Lake-Astray Lake area, Labrador Trough	
4. Hill, J.	22
Preliminary investigation of the anorthosite-adamellite igneous suite in the Davis Inlet area, Labrador	
5. Kontak, D.	27
Investigation of four uranium showings in the Central Mineral Belt, Labrador	
6. Rivers, T.	44
Geological mapping of the Wabush-Labrador City area, Southwestern Labrador	
7. Ryan, B. and Harris, A.	51
Geology of the Otter-Nipisish-Stipec Lakes area, Labrador (13K/2, 3, 6, 7)	
8. Smyth, W.R. and Knight, I.	59
Correlation of the Aphebian supracrustal sequences, Nain Province, Northern Labrador	
9. Wardle, R.J. and Doherty, A.	65
The Wade Lake-Timmins Lake area, eastern margin of the Labrador Trough	

II. NEWFOUNDLAND MAPPING SECTION

10. Blackwood, R.F.	72
Northeastern Gander Zone, Newfoundland	
11. Boyce, W.D.	80
Recent developments in western Newfoundland Cambro-Ordovician trilobite biostratigraphy	
12. Chorlton, L.	85
La Poile project, southwestern Newfoundland	
13. Colman-Sadd, S.P.	90
Gaultois map area (1M/12), Newfoundland	
14. Colman-Sadd, S.P.	97
Twillick Brook map area (2D/4), Newfoundland	
15. Hibbard, J.	103
Geology east of the Baie Verte Lineament	
16. Hussey, E.M.	110
Geology of the Sound Island map area (west half), Newfoundland	
17. Hyde, R.	116
Stratigraphic subdivision and mapping of the Lower Mississippian Anguille Group, Deer Lake-White Bay area, Newfoundland.	

18. Jayasinghe, N.R..	124
Geology of the Wesleyville map area (2F/4) and the east half of the Musgrave Harbour map area (2F/5E), Newfoundland	
19. Kean, B.F..	129
Geology of the Star Lake east half sheet (12A/11E), Newfoundland	
20. Kean, B.F. and Mercer, N.L..	135
Geology of the Grand Falls map area, west half (2D/13W), Newfoundland	
21. Knight, I.	140
Platformal sediments on the Great Northern Peninsula: Stratigraphic studies and geological mapping of the North St. Barbe District.	
22. Mercer, N.L.	151
Geology of the Lake Ambrose map area, east half (12A/10E), Newfoundland	
23. O'Brien, S.J.	156
Geology of the Baine Harbour map area, west half (1M/7W), Newfoundland	
24. Strong, D.F. and Swinden, H.S.	161
Grand Bank (1M/4), Lamaline (1L/13), Marystown (1M/3), and St. Lawrence (1L/14) map areas	
25. O'Driscoll, C.F.	163
Geology of the Harbour Buffett map area (1M/9 west half), Newfoundland	

III. OTHER SECTIONS

26. Butler, A.J.	167
Lake sediment survey, Meelpaeg Lake area, central Newfoundland	
27. McArthur, J.G.	169
Mineral Evaluation Section activities	
28. Davenport, P.H.	170
Regional lake sediment geochemical survey in Labrador	
29. Vanderveer, D.G. and Kirby, F.	172
Gravel resource inventory of Newfoundland project	
30. Vanderveer, D.G. and Sparkes, B.G.	179
Surficial and glacial mapping	
31. 1977 reports, maps, and open files.	183
