

THE PREMIER
GOVERNMENT OF
NEWFOUNDLAND AND LABRADOR

November 13, 2025

Honourable Dr. Andrew Furey, ECNL
Former Premier of Newfoundland and Labrador

Dear Dr. Furey,

I write regarding the final report of the Expert Panel on Churchill River Management, also known as the Expert Panel on 2041.

I have requested access to the noted report from the Clerk of the Executive Council, who has advised that the record is a Cabinet confidence of your administration and that, consistent with the protocol for the treatment of Cabinet confidences of prior administrations, the report cannot be provided to me without your consent.

Accordingly, I hereby request your consent to obtain a copy of the report. Given the importance of this matter to the people of Newfoundland and Labrador and that time is of the essence with respect to ongoing negotiations with Hydro Quebec, I trust that you will provide your consent to this request in a timely manner.

Sincerely,

A handwritten signature in blue ink, reading "Tony Wakeham".

Hon. Tony Wakeham
Premier of Newfoundland and Labrador
MHA, Stephenville-Port au Port
