## Management's Report

### Management's Responsibility for the Conseil scolaire francophone provincial de Terre-Neuve-et-Labrador Financial Statements

The financial statements have been prepared by management in accordance with Canadian public sector accounting standards and the integrity and objectivity of these statements are management's responsibility. Management is also responsible for all of the notes to the financial statements, and for ensuring that this information is consistent, where appropriate, with the information contained in the financial statements.

Management is also responsible for implementing and maintaining a system of internal controls to provide reasonable assurance that transactions are properly authorized, assets are safeguarded and liabilities are recognized.

Management is also responsible for ensuring that transactions comply with relevant policies and authorities and are properly recorded to produce timely and reliable financial information.

The Board of Directors is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and exercises these responsibilities through the Board. The Board reviews internal financial information periodically and external audited financial statements yearly.

The Auditor General conducts an independent audit of the annual financial statements of the Corporation in accordance with Canadian generally accepted auditing standards, in order to express an opinion thereon. The Auditor General has full and free access to financial management of the Conseil scolaire francophone provincial de Terre-Neuve-et-Labrador.

On behalf of the Conseil scolaire francophone provincial de Terre-Neuve-et-Labrador.

Selena Mell  
Director of Education

Chair

## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors  
Conseil scolaire francophone provincial de Terre-Neuve-et-Labrador  
St. John's, Newfoundland and Labrador

### Opinion

I have audited the financial statements of Conseil scolaire francophone provincial de Terre-Neuve-et-Labrador's (CSFP), which comprise the statement of financial position as at June 30, 2023, and the statements of operations and accumulated surplus, statement of change in net debt, statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the accompanying financial statements present fairly, in all material respects, the financial position of CSFP as at June 30, 2023, and the results of its operations and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

### Basis for Opinion

I conducted my audit in accordance with Canadian generally accepted auditing standards. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of CSFP in accordance with the ethical requirements that are relevant to my audit of the financial statements in Canada, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

### Other Information

Management is responsible for the other information. The other information comprises the information included in the annual report but does not include the financial statements and my auditor's report thereon. The annual report is expected to be made available to me after the date of this auditor's report.

My opinion on the financial statements does not cover the other information and I will not express any form of assurance conclusion thereon.

## **Independent Auditor's Report (cont.)**

In connection with my audit of the financial statements, my responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit, or otherwise appears to be materially misstated. When I read the annual report, if I conclude that there is a material misstatement therein, I am required to communicate the matter to those charged with governance.

### **Other matter**

The financial statements of CSFP for the year ended June 30, 2022, were audited by another auditor who expressed an unmodified opinion on those statements on July 10, 2023.

### **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing CSFP's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate CSFP or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing CSFP's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

## Independent Auditor's Report (cont.)

As part of an audit in accordance with Canadian generally accepted auditing standards, I exercise professional judgment and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CSFP's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on CSFP's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause CSFP to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within CSFP to express an opinion on the financial statements. I am responsible for the direction, supervision and performance of the audit. I remain solely responsible for my audit opinion.

### **Independent Auditor's Report (cont.)**

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

NOTES TO THE FINANCIAL STATEMENTS

**1. Nature of Operations**

The Conseil scolaire francophone provincial de Terre-Neuve-et-Labrador (CSFP or "the Board") is the sole public Francophone school board in Newfoundland and Labrador. According to Article 23 of the Canadian Charter of Rights and Freedoms, the Board provides French-first-language education to the children of eligible right-holders. The Board services the entire province of Newfoundland and Labrador and it possesses the same authority as the English public school board of the province, but with an extra mandate to promote the French language and culture.

**2. Significant Accounting Policies**

The accompanying financial statements have been prepared in accordance with public sector accounting standards issued by the Public Sector Accounting Board (PSAB). The Board does not prepare a statement of remeasurement gains and losses as the Board does not enter into relevant transactions or circumstances that are being addressed by that statement.

A summary of significant accounting policies adopted by the Board is as follows:

- a)** These financial statements reflect the assets, liabilities, revenues and expenses of the Board and the six schools that it controls.
- b)** Cash includes balances with banks.
- c)** Assets are classified as either financial or non-financial. Financial assets are assets that could be used to discharge existing liabilities or finance future operations. Non-financial assets are acquired, constructed or developed assets that do not normally provide resources to discharge existing liabilities but are employed to deliver government services, may be consumed in normal operations and are not for resale in the normal course of operations. Non-financial assets include tangible capital assets and prepaid expenses.
- d)** The Board's main source of funding is derived from the Government of Newfoundland and Labrador Department of Education (the Department). The Department provides funding for operations, pupil transportation and teacher salaries. Funding for capital expenditures and major alterations or improvements is provided by the Department of Transportation and Infrastructure. Government transfers with stipulations restricting their use are recognized as revenue when the transfer is authorized, and the eligibility criteria are met. When the transfer gives rise to an obligation that constitutes a liability, the transfer is recognized when the liability is settled. Interest income is recognized as it is earned.
- e)** Tangible capital asset additions are recorded at full cost and are amortized over their useful lives. Tangible capital asset are not amortized until they are put into use.

**CONSEIL SCOLAIRE FRANCOPHONE PROVINCIAL  
DE TERRE-NEUVE-ET-LABRADOR  
NOTES TO THE FINANCIAL STATEMENTS  
YEAR ENDED JUNE 30, 2023**

6

f) Capital assets are amortized using the straight-line method based on the following number of years:

School Buildings	40 years
Furniture	10 years
Equipment	10 years
Computers	4 years

g) The Board has acquired, in certain cases, land for its buildings without cost. In other cases, the Board obtained authorization to use the land without ownership, as long as the properties are used for educational purposes. Finally, in cases where the land is Board property and value determinations were not possible, a nominal value was recorded.

h) The Government of Newfoundland and Labrador processes the payrolls and remits the source deductions directly to the appropriate agencies for all principals, teachers, student assistants, board management and program specialists. The amounts recorded in the financial statements represent gross salaries and employee benefits as reported by the Department for the year.

i) All permanent employees of the Board are covered by pension plans administered by Provident 10 and the Teacher's Pension Plan Corporation. Contributions to these plans are required from both the employee and the Board. Post retirement obligations to employees are the responsibility of the Government of Newfoundland and Labrador. For pensions, employer contributions are recognized in the accounts on a current basis.

j) Employees of the Board are entitled to sick pay benefits which accumulate but do not vest. In accordance with Public Sector Accounting Standards for post-employment benefits and compensated balances, the Board recognizes the liability in the period in which the employee renders service. The obligation is actuarially determined using assumptions based on management's best estimates of the probability of use of accrued sick leave, future salary and wage changes, employee age, the probability of departure, retirement age, the discount rate and other factors. Discount rates are based on the Province's long-term borrowing rate. Actuarial gains and losses are recognized over time, per the actuarial calculation, through the statement of operations.

k) The Board conducts its business through six reportable segments: Administration, Instructional, Operations and Maintenance, Pupil Transportation, Ancillary Services and Pupil Services - Official Languages in Education Projects. These operating segments are established by senior management to facilitate the achievement of the Board's objectives, to aid in resource allocation decisions, and to assess operational performance.

For each reported segment, revenue and expenses represents both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. Therefore, certain allocation methodologies are employed in the preparation of segmented financial information.

**CONSEIL SCOLAIRE FRANCOPHONE PROVINCIAL  
DE TERRE-NEUVE-ET-LABRADOR  
NOTES TO THE FINANCIAL STATEMENTS  
YEAR ENDED JUNE 30, 2023**

7

The accounting policies used in these segments are consistent with those followed in the preparation of the financial statements. Inter-segment transfers are recorded at their exchange amount.

**l)** In preparing the financial statements for the Conseil scolaire francophone provincial de Terre-Neuve-et-Labrador, management is required to make estimates and assumptions that affect the reported amount of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Actual results could differ from these estimates.

Examples of significant estimates include:

- the liability for employee future benefits
- providing for amortization of tangible capital assets
- the estimated useful lives of tangible capital assets
- asset retirement obligations

**m)** Long-lived assets are reviewed for impairment upon the occurrence of events or changes in circumstances indicating that the service potential may not be recoverable.

**n)** The Board accounts for an asset retirement obligation in the period during which a legal obligation associated with the retirement of the tangible capital asset is incurred and when a reasonable estimate of this amount can be made. The asset retirement obligation is initially measured at the best estimate of the expenditure required to settle the present obligation at the balance sheet date. A corresponding amount is added to the carrying amount of the related asset and is then amortized over its useful life.

At each year-end, the asset retirement obligation is reviewed and adjusted to reflect the current best estimate of the liability. Such adjustments may result from changes in the assumptions used to estimate the undiscounted cash flows required to settle the obligation, including changes in estimated probabilities, amounts and timing of settlement, as well as changes in the legal requirements of the obligation and in the discount rate. These changes are recognized as an increase or decrease in the carrying amount of the asset retirement obligation, with a corresponding adjustment to the carrying amount of the related asset.

**o)** Effective July 1, 2022, the Board early adopted PS3400 Revenue. Under the standard, transactions that include performance obligations are identified as "exchange contracts" while those that do not have performance obligations are identified as "non-exchange contracts". Revenues from exchange contracts are to be recognized when the underlying performance obligations have been satisfied while revenues from non-exchange contracts are to be recognized when received or receivable.

	<b>\$ 266,901</b>	<b>\$ 262,950</b>		
5. <b>Summer Pay Liability</b>				
The Board records a summer pay liability for teachers in the Board. This liability relates to teacher's salaries earned during the school year but not fully paid to teachers until subsequent to June 30. Accordingly, the Board has recorded an offsetting teachers' summer pay receivable from the province of \$658,681 in Accounts Receivable (2022 - \$686,797).				
6. <b>Deferred revenue</b>				
Deferred revenue represents funding designated for the specific purposes for which the revenue recognition criteria have not been met. The funding is deferred and included in revenue when authorized and all eligibility criteria have been met, provided there are no stipulations that give rise to a liability. Changes in the various funding deferred to future periods are as follows:

**7. Repayable Deposits**

The Board collects performance bonds from suppliers for the provision of multi-year heating, ventilation and air conditioning maintenance contracts as well as for multi-year electrical, mechanical and snow clearing contracts. The balance as at June 30, 2023 is \$14,300 (2022 - \$13,000).

**8. Asset Retirement Obligations**

The Board's asset retirement obligations relate to asbestos and other contaminants in buildings that consist mainly of schools. The buildings have no set retirement date, however the useful lives of these buildings is 40 years, and the asset retirement obligations will be amortized straight-line over the remaining useful lives.

The liability estimate was based on research conducted by a third party. With regards to the buildings, the research found that the average cost to remove asbestos per square foot varied significantly based on when the buildings were constructed. As a result, the buildings were grouped based on the year of construction, and a cost applied based on the third-party research.

The Board has not escalated or discounted the costs associated with the asset retirement obligation as the date of retirement of each school is unknown.

The Board has recorded an Asset Retirement Obligation of \$4,501,898 (2022 - \$4,501,898)

#### **12. Financial Instruments**

The Board's financial instruments consist of cash, accounts receivable, amounts due to the Government of Newfoundland and Labrador, accounts payable and accruals, summer pay liability, and repayable deposits. It is management's opinion that the Board is not exposed to significant interest rate, currency or credit risk arising from these financial instruments.

**CONSEIL SCOLAIRE FRANCOPHONE PROVINCIAL  
DE TERRE-NEUVE-ET-LABRADOR  
NOTES TO THE FINANCIAL STATEMENTS  
YEAR ENDED JUNE 30, 2023**

11

The carrying value of the Board's financial instruments approximate fair values.

**13. Insurance Subsidy**

The cost of insuring school properties is incurred by the Provincial Government and no amount has been recorded in these financial statements to reflect this cost.

**14. Related party transactions**

The CSFP is related through common ownership to all Province of Newfoundland and Labrador departments, agencies, school boards, health authorities, and crown corporations. Transactions with these entities, unless disclosed separately, are considered to be in the normal course of operations and are recorded at the exchange amount.
