  - Any allowed adjustments due to traveling by public transportation should be entered in “Public Transportation Adjustment” section of the form.
  - Minutes must be converted to hour format when submitting time for total travel time, overlapping period and claim time. To convert the number of minutes to hours take the number of minutes worked and divide by 60 (e.g. you worked 50 minutes you would enter 0.83 minutes, take 50/60 = 0.83).

Please note that while Compensation and Payroll Services work to honour deadlines, we ask that you submit your information as early as possible to avoid high volume of submissions on deadline days. High submission volumes may lead to delays in processing. Forms received after cut off will not be processed until the following pay period. Incorrectly completed forms will be returned for correction prior to processing and could result in delays.
  - Please ensure that duplicate requests are not forwarded for processing, if faxed or emailed please do not forward original.
