Farm Registration Number*:

*Farm registration is an eligibility requirement for the Vegetable Transplant Program. To register your farm, contact your regional Agriculture Development Officer (ADO). A complete listing of ADO regions and contact information can be found in Appendix A of the Program Guide.

Order Selection

- Transplants will be delivered as two separate orders and will be available for pick-up from the last week of May through to the second week of June 2026.
- Applicants may choose to order transplants for pick-up the last week of May (Order # 1), through to the second week of June (Order # 2), or both weeks.
- Vegetable transplant trays have 200 cells and cost \$2.00 each
 - note that each tray may not yield 200 transplants, as 100 per cent germination cannot be guaranteed.
- Asparagus will **only** be available for pick-up during Order #2
 - asparagus transplants are one-year plugs and cost \$0.05 each.

Order #1 (for pick-up the last week of May):

| Crop Type | Variety | Description | # Trays Requested |
|--------------------|------------------------------|---|-------------------|
| Cabbage | Bronco | Early, fresh market, Tipburn tolerant | |
| | Expect / Expectation* | Mid-season, long-term storage | |
| Broccoli | Castle Dome | Mid-season, good holding ability | |
| | Gypsy | Late season, heat tolerant, good for bunching | |
| Cauliflower | Amazing | Mid-season, moderate self-wrapping | |
| Kale | Winterbor | Excellent frost and cold tolerance | |
| Leek | Lancelot | Late season, good cold tolerance | |
| Lettuce | Green Forest | Early, resistant to tipburn and bolting | |
| Onion | Oneida | Mid-season, long-term storage, thin necked | |
| | Talon | Mid-season, long-term storage | |
| | Candy | Late season, Spanish, large size | |
| | Red Spring | Mid-season, red, resistant to Fusarium | |
| Rutabaga | York | Long-term storage, some resistance to club root | |

*All orders of late cabbage will be a 50/50 mix of Expect and Expectation.

Order #2 (for pick-up the second week of June):

| Crop Type | Variety | Description | # Trays Requested |
|--------------------|------------------------------|---|-------------------|
| Cabbage | Bronco | Early, fresh market, Tipburn tolerant | |
| | Expect / Expectation* | Mid-season, long-term storage | |
| Broccoli | Castle Dome | Mid-season, good holding ability | |
| | Gypsy | Early, heat tolerant, good for bunching | |
| Cauliflower | Amazing | Mid-season, moderate self-wrapping | |
| Kale | Winterbor | Excellent frost and cold tolerance | |
| Lettuce | Green Forest | Early, resistant to tipburn and bolting | |
| Rutabaga | York | Long -erm storage, some resistance to club root | |

*All orders of late cabbage will be a 50/50 mix of Expect and Expectation.

Asparagus (only available for pick-up during Order #2):

| Crop | Variety | Description | # Boxes requested* |
|-------------------|------------------------|---------------------------|--------------------|
| Asparagus* | Mary Washington | Heritage, open-pollinated | |

* 1 box = 360 asparagus plugs

Pick-Up Location Selection

Please select one of the following pick-up locations:

- St. John's** (Provincial Agriculture Building, Brookfield Rd., St. John's)
- Wooddale** (Centre for Agriculture and Forestry Development behind weigh scales on TCH, Grand Falls-Windsor)
- Pynn's Brook** (Western Agriculture Centre behind weigh scales on TCH, Pynn's Brook)
- Labrador**

Applicant understands and agrees to the following:

- Applicants are responsible for picking up their transplants at their specified location and must have appropriate equipment to receive/transport their transplants.
- Applicant must pay for their transplants during pick-up.
- Applicant must allow for inspection(s) during the growing season to assess the utilization of the transplant material.
- Applicant must complete a feedback form following the completion of the growing season.
- Applicant must have demonstrated diligence with transplants received from, and be compliant with the previous year's program (where applicable)
- Applicant must be in good standing with the Government of Newfoundland and Labrador, and not in arrears with previous years' vegetable transplant programs.
- I have read and understand the 2026 Provincial Vegetable Transplant Program Guide, and specifically the eligibility requirements and ineligible activities
- I certify that the information provided in this document is complete and accurate, and that I acknowledge and understand the requirements of the Program
