Honourable Siobhan Coady
Minister of Finance
Government of Newfoundland and Labrador
Confederation Building
St. John's, NL
Canada A1B 4J6

Dear Minister Coady:

The Newfoundland and Labrador Industrial Development Corporation is a Crown corporation which is periodically used as a vehicle for commercial investments made on behalf of the Province. Pursuant to the provisions of the **Transparency and Accountability Act**, the Board of Directors is accountable for the preparation of an Activity Plan and the achievement of the Plan's objectives. As the Corporation has very limited activity and transacts business only at the direction of the Minister, neither the Strategic Directions of the Minister of Finance nor the Mission of the Department are considered applicable to its operations.

As Chair, it is my pleasure to submit the Activity Plan covering the three year period from April 1, 2020 to March 31, 2023.

Sincerely,

PAUL SMITH CPA, CA, CMA
Chair

Activity Plan

1.0 Overview

The Newfoundland and Labrador Industrial Development Corporation ("NLIDC") was established in 1967 and operates pursuant to the provisions of the **Industrial Development Corporation Act**. NLIDC operates with a March 31 fiscal year end and the results of its activities are fully consolidated in the Province's annual financial statements.

2.0 Mandate

NLIDC's primary purpose is to provide long term financing to industrial and resource based projects in accordance with the powers conferred on it by the Act. However, in recent years, NLIDC has been relatively inactive with most investment activity being undertaken either directly by the Province or through other Crown corporations. The most recent investment made by NLIDC occurred during the fiscal year ended March 31, 2005. Any future activities of NLIDC would be at the direction of the Minister and would be consistent with the Department's values.

3.0 Primary Clients and Stakeholders

The Board's primary responsibility is to Government by overseeing NLIDC's affairs.

4.0 Board Representation and Accountability

The affairs of NLIDC are overseen by a Board of Directors appointed by the Lieutenant Governor in Council. All Board members are employees of the Province with the position of Chair held by the Deputy Minister of Finance. The Board meets no less often than annually and approves its Financial Statements and Annual Report, both of which are then tabled in the House of Assembly by the Minister of Finance. The current members of the Board and their positions are as follows:

Mr. Paul Smith (Chair)
Deputy Minister of Finance

Ms. Tracy King
Deputy Minister of Fisheries, Forestry
and Agriculture

Mr. Ted Lomond
Deputy Minister of Industry, Energy
and Technology

Ms. Theresa Heffernan
Assistant Deputy Minister
Treasury Management and Budgeting
Department of Finance

Vacant
Director of Treasury Management
Department of Finance

Mr. Thomas Nemec
Manager, Treasury
Department of Finance

5.0 Source of Funding

Because of its limited activity, there is no requirement for annual budgetary allocations as NLIDC's revenue on existing investments, together with its cash resources, is sufficient to fund its annual operations. However, from time to time, NLIDC has been used as the Province's investment proxy where it is deemed appropriate to make an investment through a Crown corporation, rather than directly by the Province. In these situations, investment funds have been made available to NLIDC on a one-off basis.

6.0 Priorities

As stated above, the NLIDC has been relatively inactive in recent years, with most investment activity being undertaken either directly by the Province or through other Crown corporations. However, should the NLIDC be directed by the Province to enter into commercial investments or other arrangements for the purpose of providing long term financing to industrial and resource based projects, the NLIDC will respond accordingly, pursuant to its mandate.

The NLIDC is committed to fulfilling its mandated responsibilities. As such, it will provide annual reports detailing the activities it undertook during each preceding fiscal year in compliance with its mandate.

Objective: By March 31, 2021, 2022 and 2023, upon direction by the Province, the NLIDC will have entered into commercial investments or other arrangements.

Measure: Commercial investments or other arrangements completed as directed by the Province.

Indicator: Executed transactions as directed by the Province including Board approval of completed transactions as documented and approved in the Annual Report.
