

Fish Processing Licensing Board Meeting
February 22, 2023
Board Recommendation

A handwritten signature in blue ink, appearing to read "Dan Bly".

Dear Minister Bragg,

The Fish Processing Licensing Board (Board), met via tele-conference on February 22, 2023. The Board considered one application for a seal primary processing licence for Ar n-oilean Resources Ltd., Fleur de Lys.

The Board is making the following recommendation:

1. Ar n-oilean Resources Ltd., Fleur de Lys, requested a primary processing licence for seals. The current harp seal population is estimated to be 7.6 million and is in the health zone of the Precautionary Approach Framework. The company plans on focusing on the [REDACTED]
[REDACTED]

There were no letters of objection or support received.

The Board recommends approving a seal primary processing licence for Ar n-oilean Resources Ltd., Fleur de Lys.

Taylor S. Colbourne
