

AMENDMENTS TO
NATIONAL INSTRUMENT 51-102
CONTINUOUS DISCLOSURE OBLIGATIONS

1. National Instrument 51-102 *Continuous Disclosure Obligations* is amended by this Instrument.

2. Form 51-102F2 *Annual Information Form* is amended by replacing section 7.3 with the following:

“7.3 Ratings (1) If you have asked for and received a credit rating, or if you are aware that you have received any other kind of rating, including a stability rating or a provisional rating, from one or more credit rating organizations for securities of your company that are outstanding, or will be outstanding, and the rating or ratings continue in effect, disclose

- (a) each rating received from a credit rating organization;
- (b) for each rating disclosed under paragraph (a), the name of the credit rating organization that has assigned the rating;
- (c) a definition or description of the category in which each credit rating organization rated the securities and the relative rank of each rating within the organization's overall classification system;
- (d) an explanation of what the rating addresses and what attributes, if any, of the securities are not addressed by the rating;
- (e) any factors or considerations identified by the credit rating organization as giving rise to unusual risks associated with the securities;
- (f) a statement that a credit rating or a stability rating is not a recommendation to buy, sell or hold securities and may be subject to revision or withdrawal at any time by the credit rating organization; and
- (g) any announcement made by, or any proposed announcement known to your company that is to be made by, a credit rating organization to the effect that the organization is reviewing or intends to revise or withdraw a rating previously assigned and required to be disclosed under this section.

(2) If payments were, or reasonably will be, made to a credit rating organization that provided a rating described in section (1), state that fact and state whether any payments were made to the credit rating

organization in respect of any other service provided to your company by the credit rating organization during the last two years.

INSTRUCTIONS

There may be factors relating to a security that are not addressed by a credit rating organization when they give a rating. For example, in the case of cash settled derivative instruments, factors in addition to the creditworthiness of the issuer, such as the continued subsistence of the underlying interest or the volatility of the price, value or level of the underlying interest may be reflected in the rating analysis. Rather than being addressed in the rating itself, these factors may be described by a credit rating organization by way of a superscript or other notation to a rating. Any such attributes must be discussed in the disclosure under section 7.3.

A provisional rating received before the company's most recently completed financial year is not required to be disclosed under section 7.3."

3. These amendments apply only to documents required to be prepared, filed, delivered or sent under National Instrument 51-102 *Continuous Disclosure Obligations* for periods relating to a financial year ending on or after April 20, 2012.

4. This Instrument comes into force on April 20, 2012.
