CANADA-NEWFOUNDLAND AND LABRADOR OFFSHORE PETROLEUM BOARD CALL FOR BIDS No. NL22-CFB01 (Eastern Newfoundland)

The Canada-Newfoundland and Labrador Offshore Petroleum Board hereby gives notice of a call for the submission of bids in respect of twenty-eight parcels of land in the Canada-Newfoundland and Labrador Offshore Area.

This notice of the Call for Bids No. NL22-CFB01 is made pursuant and subject to the *Canada-Newfoundland and Labrador Atlantic Accord Implementation Act*, S.C., 1987, c. 3, and the *Canada-Newfoundland and Labrador Atlantic Accord Implementation Newfoundland and Labrador Act*, R.S.N.L., 1990, c. C-2.

The following is a summary of the CALL FOR BIDS NO. NL22-CFB01:

- (i) The Board informs prospective bidders that, for any parcel entirely or partially beyond Canada's 200 nautical mile zone, it has been advised by the Government of Canada that, in order to meet obligations arising pursuant to article 82 of the *United Nations Convention on the Law of the Sea*, additional terms and conditions may be applied through legislation, regulations, amendments to licences or otherwise.
- (ii) Each Bid Package must be received by the Board prior to the time of closing of this CALL FOR BIDS NO. NL22-CFB01. This Call for Bids will close at 12:00 p.m., Newfoundland Standard Time, on November 2, 2022, except as specifically provided for in this CALL FOR BIDS NO. NL22-CFB01.
- (iii) Each Bid Package must be prepared and submitted in accordance with the terms and conditions of this CALL FOR BIDS NO. NL22-CFB01.
- (iv) The parcels are located offshore Newfoundland and Labrador and are described in Schedule I. An Exploration Licence may be issued for each parcel.

- (v) For the purpose of selecting a bid, the sole criterion to be used will be the total amount of money the bidder commits to expend on exploration of a parcel and on research and development and education and training within Period I (“Work Expenditure Bid”).
- (vi) The minimum Work Expenditure Bid will be \$10 million for each parcel offered in this Call for Bids.
- (vii) Allowable expenditures may be claimed for those permitted expenses incurred from the date of the announcement of the Call for Nominations NL20-CFN01 (Areas of Interest) up to and including the effective date of the licence. These new credits would be in addition to those allowable expenditures available for credit during the term of the licence.
- (viii) Period I of the Exploration Licence shall have a term of **six (6) years** unless otherwise extended by a drilling deposit. Period II shall immediately follow Period I and consist of the balance of the original nine (9) year term.
- (ix) The Interest Owner may, at its option, extend Period I by up to three 1 year extensions based upon the following escalating drilling deposits (each one a separate “Drilling Deposit”):

Period I A – 1 year extension - \$5 million (CAD)
Period I B – 1 year extension - \$10 million (CAD)
Period I C – 1 year extension - \$15 million (CAD)

If a Drilling Deposit is posted, it will be refunded in full if the well commitment is met during the respective period of extension. Otherwise, the Drilling Deposit will be forfeited upon termination of that period extension.

- (x) The Work Expenditure Bid must be accompanied by a bank draft or certified cheque in the amount of \$10,000 (“Bid Deposit”) made payable to the Receiver General for Canada. Furthermore, the successful bidder will be required to provide, within 15 days of notification of being the successful bidder, a promissory note accompanied by a bank letter of guarantee, or a letter of credit, in the amount of 25% of the Work Expenditure Bid (“Security Deposit”). A credit against the Security Deposit will be made on the basis of the percentages of allowable expenditures as described in the Exploration Licence (“Allowable Expenditures”).
- (xi) A successful bidder will receive a refund, without interest, of the Bid Deposit when the Security Deposit is posted within 15 days of being notified they are the successful bidder. Failure to post the Security Deposit within 15 days will result in forfeiture of the Bid Deposit and disqualification of the bid.

Following the announcement of the bid results, the Bid Deposits of unsuccessful bidders will be returned, without interest, as soon as possible.

- (xii) One well must be commenced within Period I and diligently pursued thereafter.
- (xiii) Rentals will be applicable only in Period II at the following rates:

1 st year	\$5.00 per hectare
2 nd year	\$10.00 per hectare
3 rd year	\$15.00 per hectare

When an Exploration Licence continues in force beyond Period II, rentals will be payable at the rates applicable during the last year of Period II.

Rentals will be refunded annually, to a maximum of 100% of the rentals paid in that year, on the basis of a dollar refund for each dollar of Allowable Expenditures for that year.

Carry forward provisions to reduce rentals otherwise payable in ensuing rental years will apply.

- (xiv) Any resulting Significant Discovery Licence respecting the lands of any Exploration Licence resulting from the offer of a parcel in this Call for Bids NL22-CFB01 will be subject to the terms and conditions for Significant Discovery Licences existing at the time a Significant Discovery Licence is requested. A sample Significant Discovery Licence can be found as a Schedule to the Sample Exploration Licence.
- (xv) A successful bidder will be required to comply with the procurement, employment and reporting procedures as established by the Board in its *Exploration Benefits Plan Guidelines*.

- (xvi) These parcels will be subject to the payment of issuance fees and Environmental Studies Research Fund levies.
- (xvii) The Board is not obliged to accept any bid or issue any interest as a result of this Call for Bids.
- (xviii) Any licence that may be issued shall be in the form of the Exploration Licence attached to the Call for Bids No. NL22-CFB01.

The full text of Call for Bids No. NL22-CFB01 is available at the Board's Web site (www.cnlopb.ca) or upon request made to the Registrar, Canada-Newfoundland and Labrador Offshore Petroleum Board, 240 Waterford Bridge Road, The Tower Corporate Campus – West Campus Hall, Suite 7100, St. John's, NL A1E 1E2, (709) 778-1400.

CANADA-NEWFOUNDLAND AND LABRADOR
OFFSHORE PETROLEUM BOARD

CANADA-NEWFOUNDLAND AND LABRADOR OFFSHORE PETROLEUM BOARD

CALL FOR BIDS No. NL22-CFB02 (South Eastern Newfoundland)

The Canada-Newfoundland and Labrador Offshore Petroleum Board hereby gives notice of a call for the submission of bids in respect of ten parcels of land in the Canada-Newfoundland and Labrador Offshore Area.

This notice of the Call for Bids No. NL22-CFB02 is made pursuant and subject to the *Canada-Newfoundland and Labrador Atlantic Accord Implementation Act*, S.C., 1987, c. 3, and the *Canada-Newfoundland and Labrador Atlantic Accord Implementation Newfoundland and Labrador Act*, R.S.N.L. 1990, c. C-2.

The following is a summary of the Call for Bids No. NL22-CFB02:

- (i) The Board informs prospective bidders that, for any parcel entirely or partially beyond Canada's 200 nautical mile zone, it has been advised by the Government of Canada that, in order to meet obligations arising pursuant to article 82 of the *United Nations Convention on the Law of the Sea*, additional terms and conditions may be applied through legislation, regulations, amendments to licences or otherwise.
- (ii) Each Bid Package must be received by the Board prior to the time of closing of this Call for Bids No. NL22-CFB02. This Call for Bids will close at 12:00 p.m., Newfoundland Standard Time, on November 2, 2022, except as specifically provided for in this Call for Bids No. NL22-CFB02.
- (iii) Each Bid Package must be prepared and submitted in accordance with the terms and conditions of this Call for Bids No. NL22-CFB02.
- (iv) The parcels are located offshore Newfoundland and Labrador and are described in Schedule I. An Exploration Licence may be issued for each parcel.
- (v) For the purpose of selecting a bid, the sole criterion to be used will be the total amount of money the bidder commits to expend on exploration of a parcel and on research and development and education and training within Period I ("Work Expenditure Bid").
- (vi) The minimum Work Expenditure Bid will be \$10 million for each parcel offered in this Call for Bids.
- (vii) Allowable expenditures may be claimed for those permitted expenses incurred from the date of the announcement of the Call for Nominations NL17-CFN01 (Areas of Interest) up to and including the effective date of the licence. These new credits would be in addition to those allowable expenditures available for credit during the term of the licence.
- (viii) Period I of the Exploration Licence shall have a term of **six (6) years** unless otherwise extended by a drilling deposit. Period II shall immediately follow Period I and consist of the balance of the original nine (9) year term.
- (ix) The Interest Owner may, at its option, extend Period I by up to three 1 year extensions based upon the following escalating drilling deposits (each one a separate "Drilling Deposit"):

Period I A – 1 year extension - \$5 million (CAD)

Period I B – 1 year extension - \$10 million (CAD)

Period I C – 1 year extension - \$15 million (CAD)

If a Drilling Deposit is posted, it will be refunded in full if the well commitment is met during the respective period of extension. Otherwise, the Drilling Deposit will be forfeited upon termination of that period extension.

- (x) The Work Expenditure Bid must be accompanied by a bank draft or certified cheque in the amount of \$10,000 ("Bid Deposit") made payable to the Receiver General for Canada. Furthermore, the successful bidder will be required to provide, within 15 days of notification of being the successful bidder, a promissory note accompanied by a bank letter of guarantee, or a letter of credit, in the amount of 25% of the Work Expenditure Bid ("Security Deposit"). A credit against the Security Deposit will be made on the basis of the percentages of allowable expenditures as described in the Exploration Licence ("Allowable Expenditures").
- (xi) A successful bidder will receive a refund, without interest, of the Bid Deposit when the Security Deposit is posted within 15 days of being notified they are the successful bidder. Failure to post the Security Deposit within 15 days will result in forfeiture of the Bid Deposit and disqualification of the bid.

Following the announcement of the bid results, the Bid Deposits of unsuccessful bidders will be returned, without interest, as soon as possible.

(xii) One well must be commenced within Period I and diligently pursued thereafter.

(xiii) Rentals will be applicable only in Period II at the following rates:

1 st year	\$5.00 per hectare
2 nd year	\$10.00 per hectare
3 rd year	\$15.00 per hectare

When an Exploration Licence continues in force beyond Period II, rentals will be payable at the rates applicable during the last year of Period II.

Rentals will be refunded annually, to a maximum of 100% of the rentals paid in that year, on the basis of a dollar refund for each dollar of Allowable Expenditures for that year.

Carry forward provisions to reduce rentals otherwise payable in ensuing rental years will apply.

- (xiv) Any resulting Significant Discovery Licence respecting the lands of any Exploration Licence resulting from the offer of a parcel in this Call for Bids NL22-CFB02 will be subject to the terms and conditions for Significant Discovery Licences existing at the time a Significant Discovery Licence is requested. A sample Significant Discovery Licence can be found as a Schedule to the Sample Exploration Licence.
- (xv) A successful bidder will be required to comply with the procurement, employment and reporting procedures as established by the Board in its Exploration Benefits Plan Guidelines.
- (xvi) These parcels will be subject to the payment of issuance fees and Environmental Studies Research Fund levies.
