Size of Land Development

5

Area	Frontage	Depth
	m2/ft2	m/ft

Land Ownership

6

Crown Land	Private
Application Number _____	

Water Supply and Sewage Disposal

7

Please describe proposed method of water supply and sewage disposal system	
If existing, please describe	

Vegetation

8

Type of vegetation (forest, scrub, barren, cleared, etc.)	
-----------------------------------------------------------	--

Present Use of Adjacent Land (Residential/Commercial/Unused/etc.)

9

East side	West side	North side	South side
-----------	-----------	------------	------------

10

I, _____, do solemnly declare that the plans, specification, and statements herein contained in this application are to the best of my knowledge true and accurate. I further declare that the sewage disposal system and water supply are or will be installed in conformity with the requirements of the Department, if the development as proposed is approved. I also agree that failure to comply with the requirements of the Department could render an approval null and void.			
Dated at _____		this _____ day of _____	20_____ (Month) (Year)
_____ Witness		_____ Applicant's Signature (To be Signed by Applicant Only)	

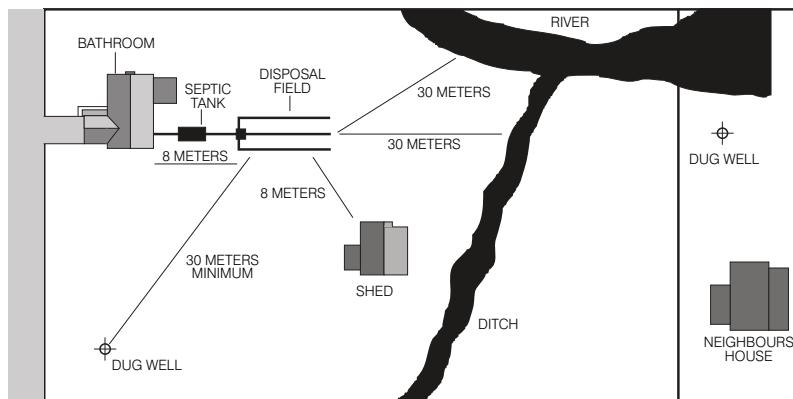

Please complete the location plan on reverse or forward a survey plan with this application

Location Plan (Note: if you answer "yes" to any of the below, please indicate location of item on sketch below)**11**

1. Is there farming operation within a 610 meter (2000 ft) radius of your building lot?	Yes <input type="checkbox"/>	No <input type="checkbox"/>
