This notice of the Call for Bids No.NL10-02 is made pursuant and subject to the *Canada-Newfoundland Atlantic Accord Implementation Act*, S.C., 1987, c. 3, and the *Canada-Newfoundland and Labrador Atlantic Accord Implementation Newfoundland and Labrador Act*, RSNL 1990, cC-2.

The following is a summary of the Call for Bids No.NL10-02:

- (i) Sealed bids will be received by the Board prior to the time of closing of this call for bids. This call for bids will close at 4:00 p.m., Newfoundland Standard Time, on **November 30, 2010**, except as specifically provided for in the Call for Bids No. NL10-02;
- (ii) All bids must be submitted in accordance with the terms and conditions of the Call for Bids No. NL10-02;

- (iii) The parcels are located offshore Newfoundland and Labrador and are described in Schedule I. An Exploration Licence may be issued for each parcel;
- (iv) For the purpose of selecting a bid, the sole criterion to be used will be the total amount of money the bidder commits to expend on exploration on the parcel within Period I (“Work Expenditure Bid”);
- (v) A minimum bid of \$1,000,000 will be required for each parcel in the Central Ridge/Flemish Pass;
- (vi) For each parcel, the Work Expenditure Bid must be accompanied by a bank draft or certified cheque in the amount of \$10,000 (“Bid Deposit”) made payable to the Receiver General. Furthermore, the successful bidder will be required to provide, within 15 days of notification of being the successful bidder, a promissory note in the amount of 25% of the Work Expenditure Bid (“Security Deposit”). A credit against the Security Deposit will be made on the basis of 25% of allowable expenditures as described in the Exploration Licence (“Allowable Expenditures”);
- (vii) The successful bidder will receive a refund, without interest, of the Bid Deposit when the Security Deposit is posted within 15 days. *Failure to post the Security Deposit within 15 days will result in forfeiture of the Bid Deposit and disqualification of the bid.*

Following the announcement of the bid results, the Bid Deposits of unsuccessful bidders will be returned, without interest, as soon as possible;

- (viii) The interest owner may at its option extend Period I from six (6) years to seven (7) years by providing to the Board before the end of the sixth year of Period I either:

If a validation well is not drilled, the drilling deposit will be forfeited to the Receiver General for Canada upon termination of the Licence at the end of Period I. Allowable Expenditures cannot be applied against the Drilling Deposit.

- (ix) For each parcel, the licence requirement will be one well to be commenced within Period I and diligently pursued thereafter.
- (x) For each parcel, rentals will be applicable only in Period II at the following rates:

| | |
|----------------------|---------------------|
| 1 st year | \$5.00 per hectare |
| 2 nd year | \$7.50 per hectare |
| 3 rd year | \$10.00 per hectare |

When an Exploration Licence continues in force beyond Period II, rentals will be payable at the rates applicable during the last year of Period II.

Rentals will be payable annually, in advance, and are to be submitted by cheque payable to the Receiver General, except for rentals applicable to an Exploration Licence continuing beyond Period II, which will be payable monthly, in advance, at the rate of one-twelfth (1/12) of the applicable annual rates.

Rentals will be refunded annually, to a maximum of 100% of the rentals paid in that year, on the basis of a dollar refund for each dollar of Allowable Expenditures for that year.

Carry forward provisions to reduce rentals otherwise payable in ensuing rental years will apply.

Rentals will apply to lands subject to a declaration of significant discovery during the term of the Exploration Licence at the rates and levels of refundability specified above;

(xi) An Allowable Expenditure schedule will have application throughout Period I of the Exploration Licence. The rates of Allowable Expenditures will be reviewed, and may be amended, at the expiration of Period I;
