**RE: LONG TERM CARE FACILITIES**

Please find below a comprehensive list of facilities/approved long-term care beds currently operating in Newfoundland and Labrador: The billing code for the LTC is 621010; the individual facility numbers for each facility serve as the distinguishing factor for these codes when billing, with Botwood being the only exception. Botwood has its own distinct LTC billing code, 621012.

Twelve new LTC facilities have been approved and added, with the exception of Dr. Hugh Twomey Health Centre in Botwood which had a rate increase.
