**RE: 2023-2027 MEMORANDUM OF AGREEMENT – LONG TERM CARE
CALL ROTAS – NOVEMBER 2025 UPDATE**

In alignment with the 2023-2027 Memorandum of Agreement (MOA) with the Newfoundland and Labrador Medical Association the Long-Term Care (LTC) bed rate has been increased to \$1.76 per bed. These rates 'go live' November 22, 2025. Any billings submitted prior to this date with services provided since October 1, 2024 will be subject to adjustment and included with retroactive payments.

The LTC bed rate has increased in step with the Family Physician increases awarded under the 2023-2027 MOA:

Effective Date	Family Physician % Increase	LTC Bed Rate
October 1, 2024	+9.59%	\$1.70
October 1, 2025	+3.55%	\$1.76
October 1, 2026	+3.5%	\$1.82

Annex A provides an updated listing of current LTC call rotas with rates updated to reflect current LTC bed numbers and subsequent per diem rates.

The LTC rate per site is for 24-hour coverage. Physicians are to continue billing fee code **621010** and ensure they use the correct institution number for the site they are covering.

Physicians providing LTC coverage for the Dr. Hugh Twomey Health Care Centre in Botwood may only bill fee code **621012**.
