

## Wait Time Information - Lung Cancer Surgery

### **Q: What is Cancer Surgery?**

Cancer surgery is an operation to repair or remove part of the body in the treatment of cancer.

### **Q: Who goes on a wait list?**

Anyone who needs a treatment that has a wait list is placed on the list, unless it is an emergency. Emergency patients are treated as quickly as possible.

### **Q: What is Lung Cancer Surgery?**

Lung cancer surgery is an operation to repair or remove part of the group of cancers found in the lung region.

### **Q: Where will I be referred to have this surgery?**

Ask your doctor/specialist where you can have your cancer surgery done, as these procedures are performed in the following hospitals:

#### **Eastern Health**

General Hospital - Health Sciences Centre - St. John's  
St. Clare's Mercy Hospital - St. John's

### **Q: How are wait times measured?**

For this operation, the wait time is measured from when you and your surgeon decide to proceed with surgery for the confirmed cancer to when the procedure is completed.

### **Q: What is the benchmark wait time for cancer surgery?**

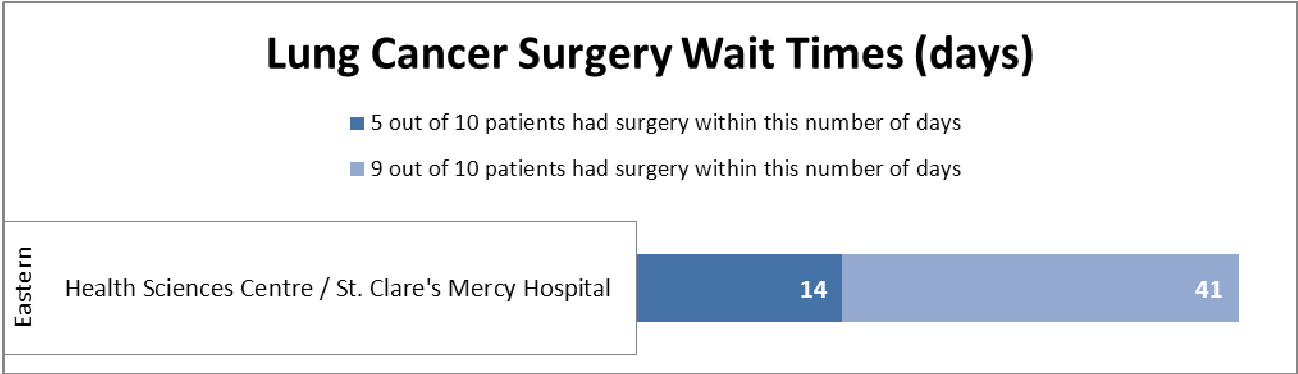

There is no national benchmark for this surgical procedure.

Table 1: Lung Cancer Surgery Wait Times for Q1 (April 1 – June 30, 2013-2014)

Regional Health Authority	Number of Procedures	5 out of 10 patients had surgery within this number of days	9 out of 10 patients had surgery within this number of days
Hospital			
Eastern			
Health Sciences Centre / St. Clare's Mercy Hospital	17	14	41
