

## Guidelines Labrador Sport Travel Subsidy Program

The Government of Newfoundland and Labrador recognizes that the cost of air and ground transportation between Labrador and the island portion of the province may be cost prohibitive for youth athletes attending sporting competition and try-outs.

The Labrador Sport Travel Subsidy (LSTS) Program provides transportation support for youth and Special Olympics athletes sport travel to provincial competitions, provincial training camps and Canada Games team selections, training and competitions. The program also provides support for coach and official training development and may subsidize the cost of hosting provincial minor championships in Labrador.

### **Who can apply?**

Provincially sanctioned teams and individual athletes 18 years or younger, as of the travel date, may apply for a team or individual travel subsidy. The only exemption to the age restriction are Special Olympic athletes.

Minor sport associations within Labrador may apply for the hosting subsidy. The hosting subsidy is intended to support the travel costs for teams attending the event in Labrador.

Officials and coaches in Labrador may be eligible for travel assistance to participate in accredited provincial or national coaching programs within and outside Labrador. Coaches or officials from outside Labrador may be eligible for travel assistance to host development camps within Labrador.

### **What is eligible under the LSTS?**

Sports sanctioned by a provincial governing body are eligible for subsidized airfare or mileage. Supporting documentation must be provided to demonstrate that an athlete or team will be participating in the event. Examples of supporting documentation is a letter/email from the sport body, a registration form, a grading report, etc. Invitational tournaments and any School Sports Newfoundland and Labrador (SSNL) school competitions are generally not eligible for this subsidy.

Accommodations, meals, ground transportation or registration fees while at the event are **not** covered under the LSTS.

Remaining airfare costs will be the responsibility of the team. Teams are eligible for **one** team travel subsidy per fiscal year (either air or driving).

Note: a team must travel together either by air or ground.

### **Driving**

If an individual athlete or team decide to drive from Labrador to the event on the island, they may be eligible for mileage reimbursement. Kilometres are calculated based on the distance between the community of residency and the community where the event occurs using the NL Statistics Agency Kilometre Matrix which is available at [www.stats.gov.nl.ca/DataTools/RoadDB/Distance](http://www.stats.gov.nl.ca/DataTools/RoadDB/Distance).

### **Labrador Sport Hosting Subsidy**

Minor sport associations within Labrador may be eligible to receive a \$10,000 grant to assist teams and officials traveling to a Labrador Provincial Sport Championship or provincial training camp.

### **Coach and Official Development Travel**

Officials and coaches may be eligible for the travel subsidy to attend an approved Provincial/National Coaching Certification Program. Subsidies up to 75% of the cost of airfare may be approved to any coach or official looking to advance their qualifications that will in turn serve the athletes of the region.

### Frequently Asked Questions (FAQ)

- 1. My son's team is flying to provincials on the island, but I have decided to drive my son, can I be reimbursed for fuel?**

The full team must travel together either by air or ground. Mileage is not eligible for one member of a team when the team itself have received the air subsidy.

- 2. My daughter is travelling to St. John's for Team NL try-outs and she is 13 years old. Does the subsidy cover an escort?**

The LSTS provides support for athletes. Escorts or coaches are not eligible unless there are extenuating circumstances.

- 3. My daughter is travelling to Deer Lake by herself for Team NL try-outs. Does the subsidy cover hotels or meals for her?**

The subsidy only provides for airfare or mileage for the athletes. All other expenses such as accommodations, meals, ground transportation or registration fees while at the event are the responsibility of the athlete.

- 4. The Nain volleyball team is travelling to Goose Bay for a regional competition. Are they eligible for the LSTS?**

The LSTS is for athletes travelling from Labrador to the island for provincial competitions, camps and/or try-outs. Travel within Labrador is not eligible unless there are extenuating circumstances.

- 5. There is a team of three figure skaters and a coach travelling to provincials in St. John's. Why didn't they receive the full team subsidy amount?**

The subsidy provides 75 per cent of the airfare for the travelling athletes up to a maximum. Since there are three athletes travelling, they are eligible for 75 per cent of their airfare each which is less than the maximum team amount.

- 6. My son has been invited to provincial try-outs in Carbonear and I booked his ticket myself. Can I be reimbursed?**

Applications should be submitted to receive approval prior to the event. If someone did not receive prior approval, they may not be eligible for reimbursement.
