TOWN OF PASADENA DEVELOPMENT REGULATIONS AMENDMENT No. 8, 2024

BACKGROUND

The Town Council of Pasadena wishes to amend its Development Regulations, 2019.

The Town Council intends to make the following changes to the Land Use Zoning map of the Development Regulations: to rezone land from “Rural” to “Residential Low Density” for the purpose of enabling the residential development.

The Town has received a request for the development of residential lots in this area as the land is suitable for development. The developer can extend the road and municipal services from ongoing residential subdivision development on Carter Avenue to the land in a manner consistent with the standards required by the Town of Pasadena. A strip of land has been retained as “Rural” designation to provide a vegetated buffer between the proposed residential lots and the future Industrial Rural zone to the south.

During the preparation of this proposed amendment, Council published a Notice for Public Consultation in the Saltwire NL Wire newspaper on August 21, 2024 so that individuals could provide input.
