Development Regulations Amendment No. 51, 2024

Purpose

The proposed Development Regulations amendment is to re-zone land at 1440 Conception Bay Highway from “Residential Mixed (R-3)” and “Residential Low Density (R-1)” to “Commercial/ Light Industrial (CLI)”. The amendment will also re-align the Residential Low Density (R-1) zone to coincide with shared property boundary between 1440 and 1448 Conception Bay Highway.

This amendment implements Municipal Plan Amendment No. 32, 2024, which is being processed concurrently.

Consultation

A notice outlining the proposed amendments was distributed to known property owners within 100 metres of the subject property. In addition, notices were published in the November 10, and 17, 2023 editions of The Shoreline newspaper. The notice was also posted on the Town’s website and social media. Written submissions are initially requested by November 27, 2023. A public information session was scheduled for November 29, 2023 but postponed due to forecasted inclement weather on that day. The public Information Session was re-scheduled to January 10, 2024. Notices of the re-scheduled Public Information Session were published in the December 15 and 29, 2023 editions of the Shoreline newspaper.

As result of the notices, the Town received one written inquiry related to the process. A number of individuals attended the Public Information Session.

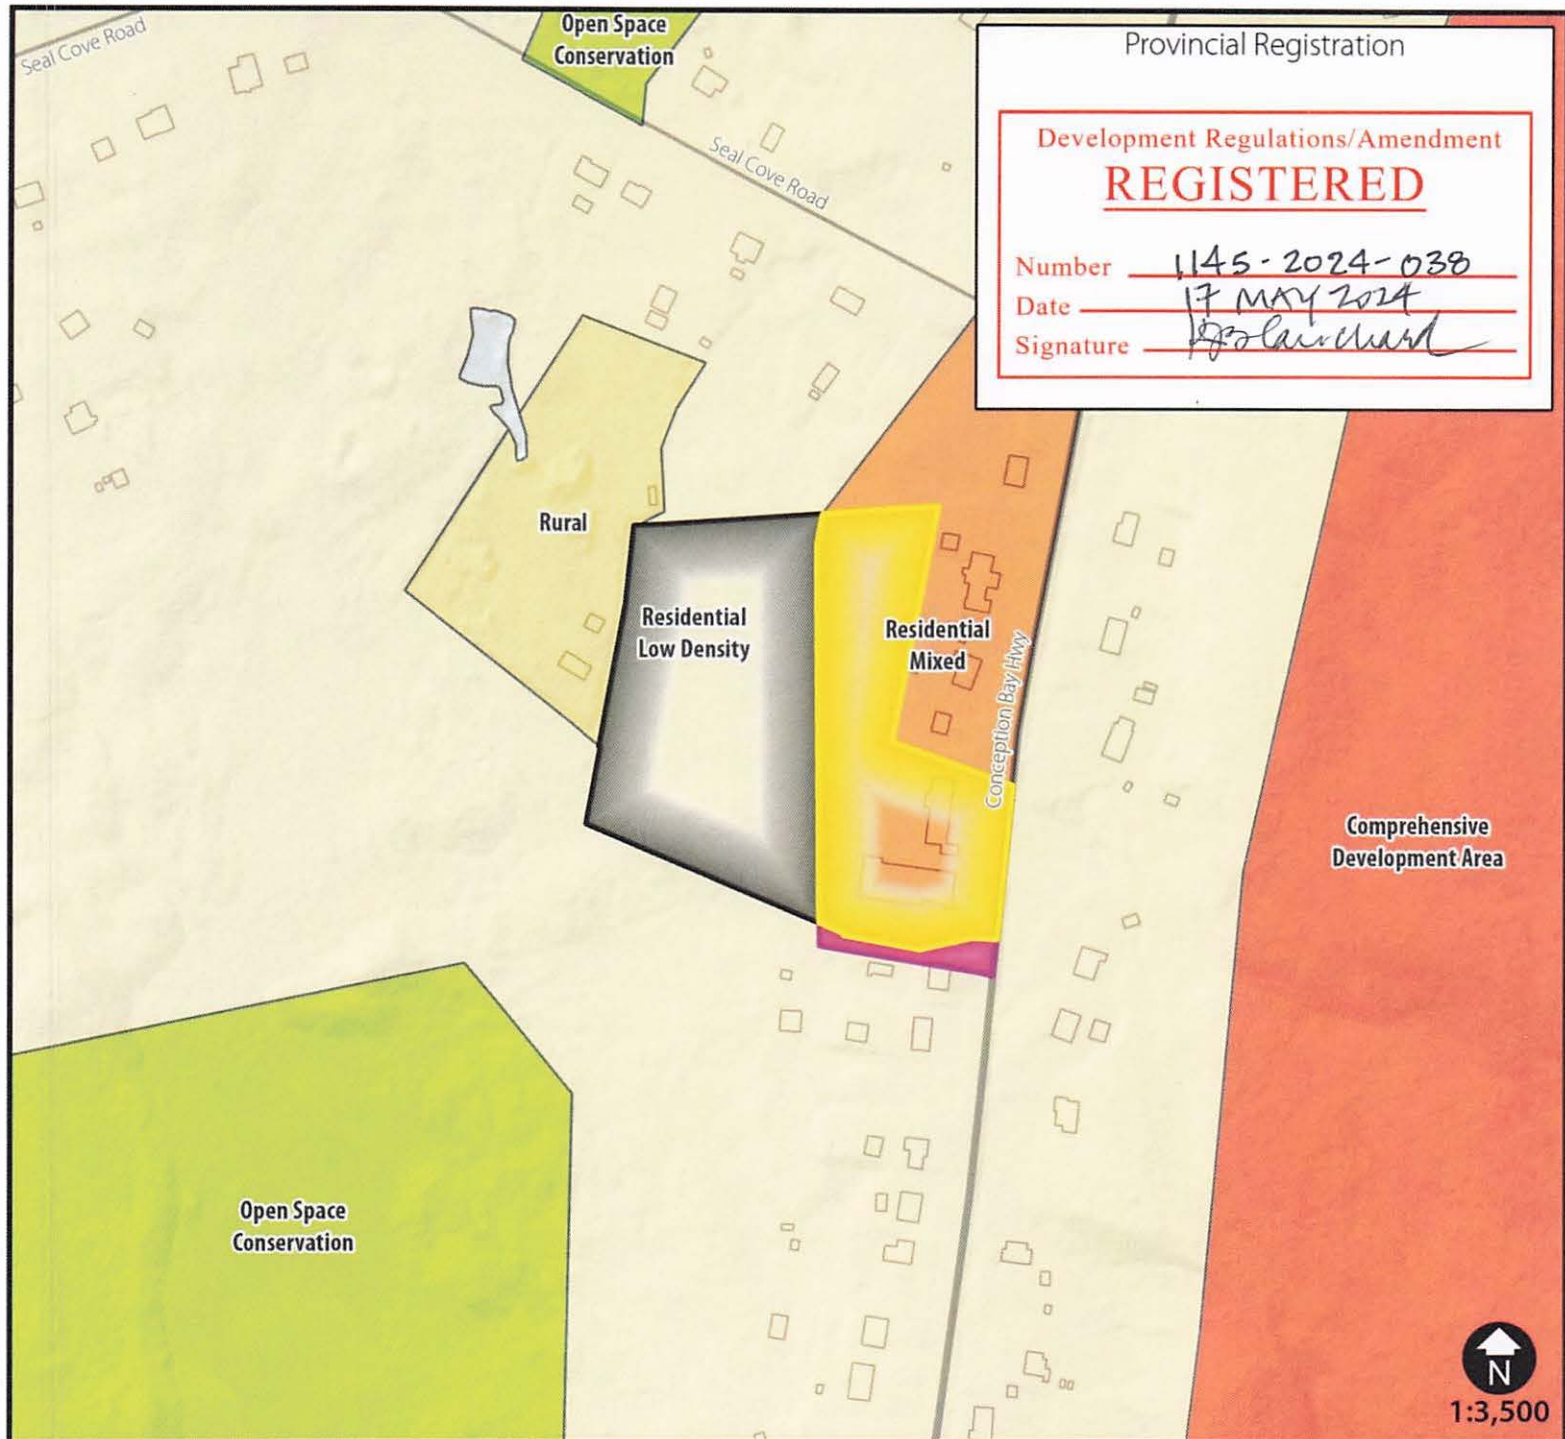

Council considered the comments received through the engagement process and determined that the proposed amendments should proceed as initially presented.

The Town determined that this consultation effort was reflective of the size, structure and complexity of planning and policy issues under consideration for the proposed amendments.
