TOWN OF UPPER ISLAND COVE

DEVELOPMENT REGULATIONS AMENDMENT No. 13, 2017

BACKGROUND

The Town of Upper Island Cove proposes to amend its Development Regulations. The Town has received a proposal to develop a recreational trailer park/camping park in the vicinity of Neddie Smith's Pond. The area is zoned Rural on the Upper Island Cove Land Use Zone Map. The Rural Land Use Zone Table does not allow for a recreational trailer park/camping park. Further, Schedule B does not list any examples for a recreational trailer park/camping park.

To accommodate the proposed recreational trailer park/camping park, this Amendment proposes to add recreational trailer park/camping park to the list of examples for Non-Building Uses, as found in Schedule B, the Classification of Uses of Land and Buildings and add recreational trailer park/camping park as discretionary use to the Rural Land Use Zone Table. The amendment also proposes to add a condition to the Rural Land Use Zone Table restricting recreational trailer park/camping park at or near Neddie Smith's Pond only.

PUBLIC CONSULTATION

During the preparation of this amendment, Council undertook the following initiative so that individuals and groups could provide input to the proposed Development Regulations Amendment. The Town Council of Upper Island Cove published a notice in *The Compass* newspaper on August 29, 2017, advertising the proposed amendment seeking comments or representations from the public. The Town Council placed the proposed amendment on display at the Town Council Office from August 29 to September 11, 2017, for residents to view and to provide any comments or concerns in writing to the Council concerning the proposed amendment. No verbal and written comments were received during the public consultation period.
