## **MUNICIPAL PLAN AMENDMENT No. 19, 2015**

### **BACKGROUND**

The Town of Carbonear proposes to amend its Municipal Plan. Goff Avenue is a small industrial/commercial area located off Powell Drive which was developed in the early 1980's. Powell's Brook runs through the industrial/commercial area and is perpendicular to Goff Avenue at the point of intersection. The base mapping for the Future Land Use Map is early 1970's photography which identified a small tributary on the north side of Powell's Brook with its intersection with Goff Avenue. With the industrial/commercial development, the small tributary no longer exists. This area is clearly identified on the 2014 Google Earth imagery below.

The Future Land Use Map has this small area designated as Conservation along with Powell's Brook. The purpose of this amendment is to re-designate this small area of land required for proposed industrial/commercial expansion from Conservation to Industrial.

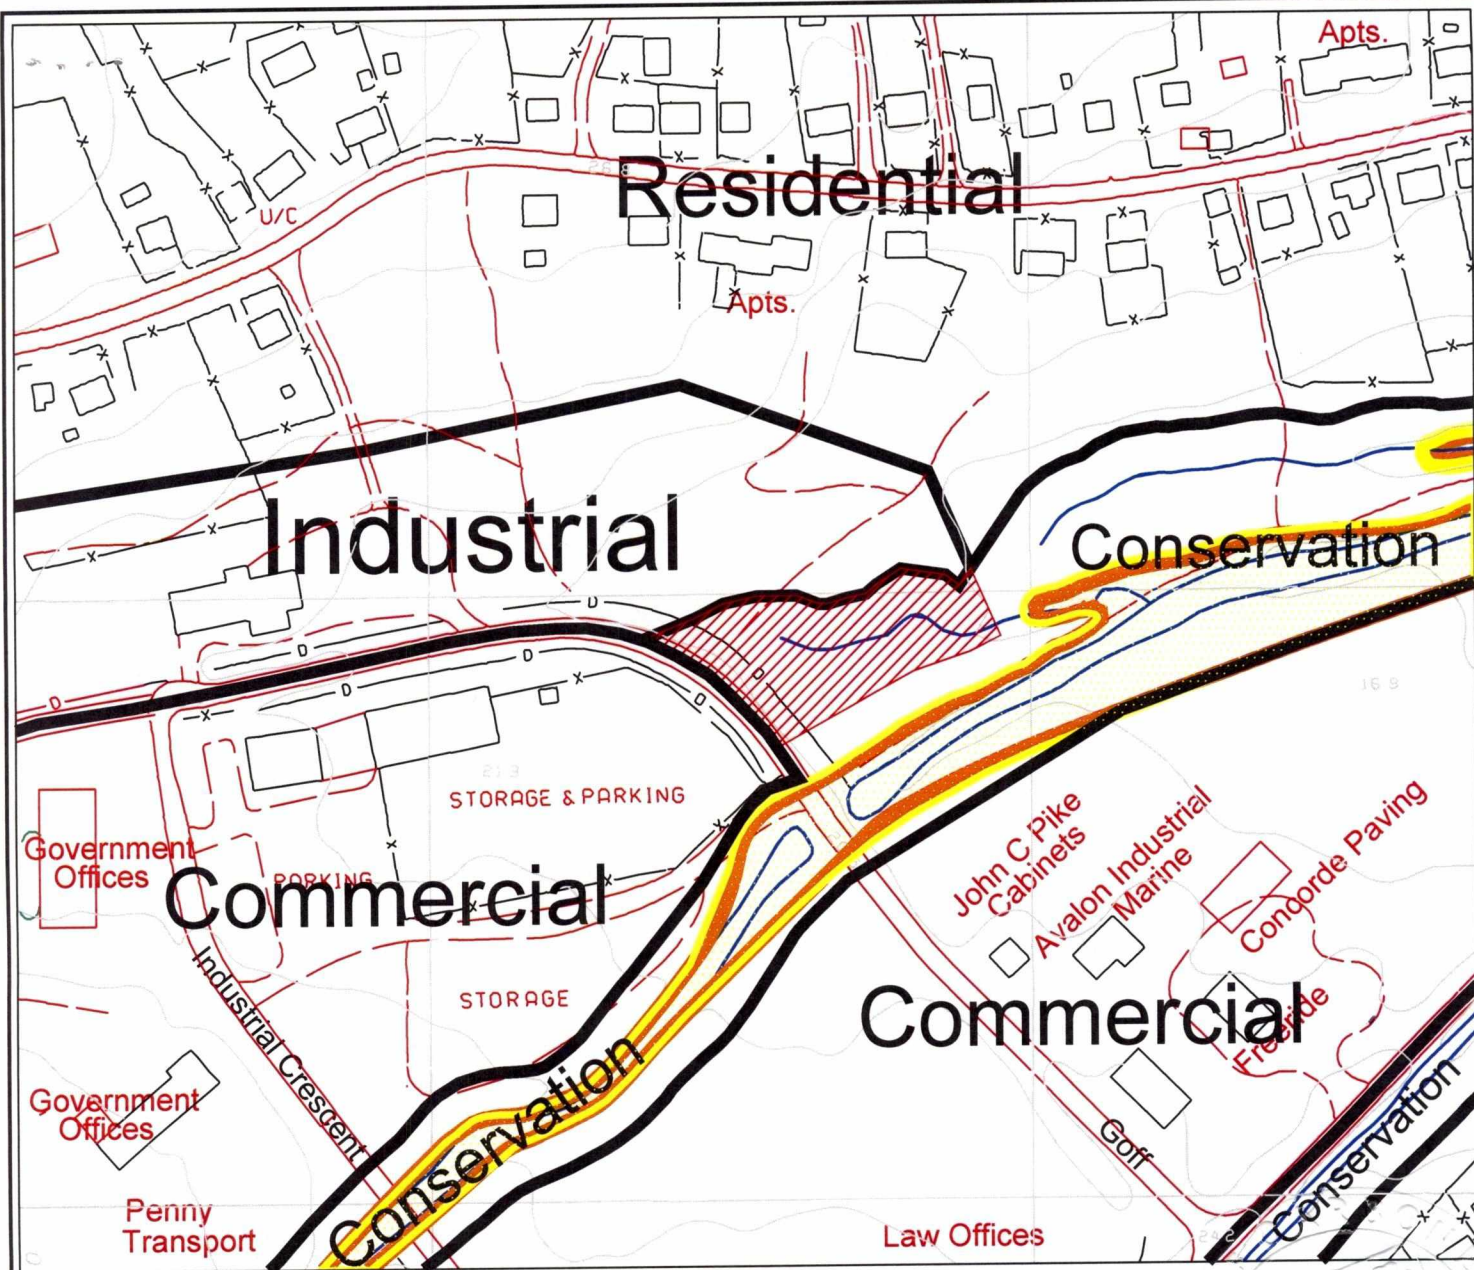

## **PUBLIC CONSULTATION**

During the preparation of this amendment, Council undertook the following initiatives so that individuals and groups could provide input to the proposed Municipal Plan amendment.
