# **TOWN OF CARBONEAR**

## **DEVELOPMENT REGULATIONS AMENDMENT No. 31, 2016**

### **BACKGROUND**

The Town of Carbonear proposes to amend its Development Regulations. The Town has received a proposal from Small Crafts and Harbours to construct a new breakwater in the Heritage Area Land Use Zone. A breakwater is considered as a transportation use. The Heritage Area Land Use Zone Table does not list a breakwater as a permitted or discretionary use.

The purpose of this amendment is to add “breakwaters” to the list of examples found in the Non-Building Uses, Classification of Uses of Land and Buildings, Schedule B. The amendment will also add “transportation” as a discretionary use to the Heritage Area Land Use Zone Table, Schedule C.

### **PUBLIC CONSULTATION**

During the preparation of this amendment, Council undertook the following initiatives so that individuals and groups could provide input to the proposed Development Regulations amendment. The Town Council of Carbonear published a notice in *The Compass* newspaper on February 23, 2016, advertising the development proposal seeking comments or representations from the public. The Town Council placed the proposed amendment on display at the Town Office from February 23, to March 1, 2016, for residents to view and to provide any comments or concerns in writing to the Council concerning the proposed amendment. No verbal or written comments were received during the time period.
