TOWN OF CARBONEAR

MUNICIPAL PLAN AMENDMENT No. 18, 2014

BACKGROUND

The Town of Carbonear proposes to amend its Municipal Plan. The Town has received an application to develop a single property located on the north side of Freshwater Road. The property is surrounded by rock outcrop, but the location is relatively flat and has sufficient area for two residential lots. Due to the rock outcrop a referral was sent to the Mineral Lands Division, Department of Natural Resources for comment. The Department determined that the rock outcrop area is stable and poses no threat to life safety or public safety.

The Future Land Use Map has this area designated as Rural. The purpose of this amendment is to re-designate an area of land required for the proposed residential development from Rural to Residential.

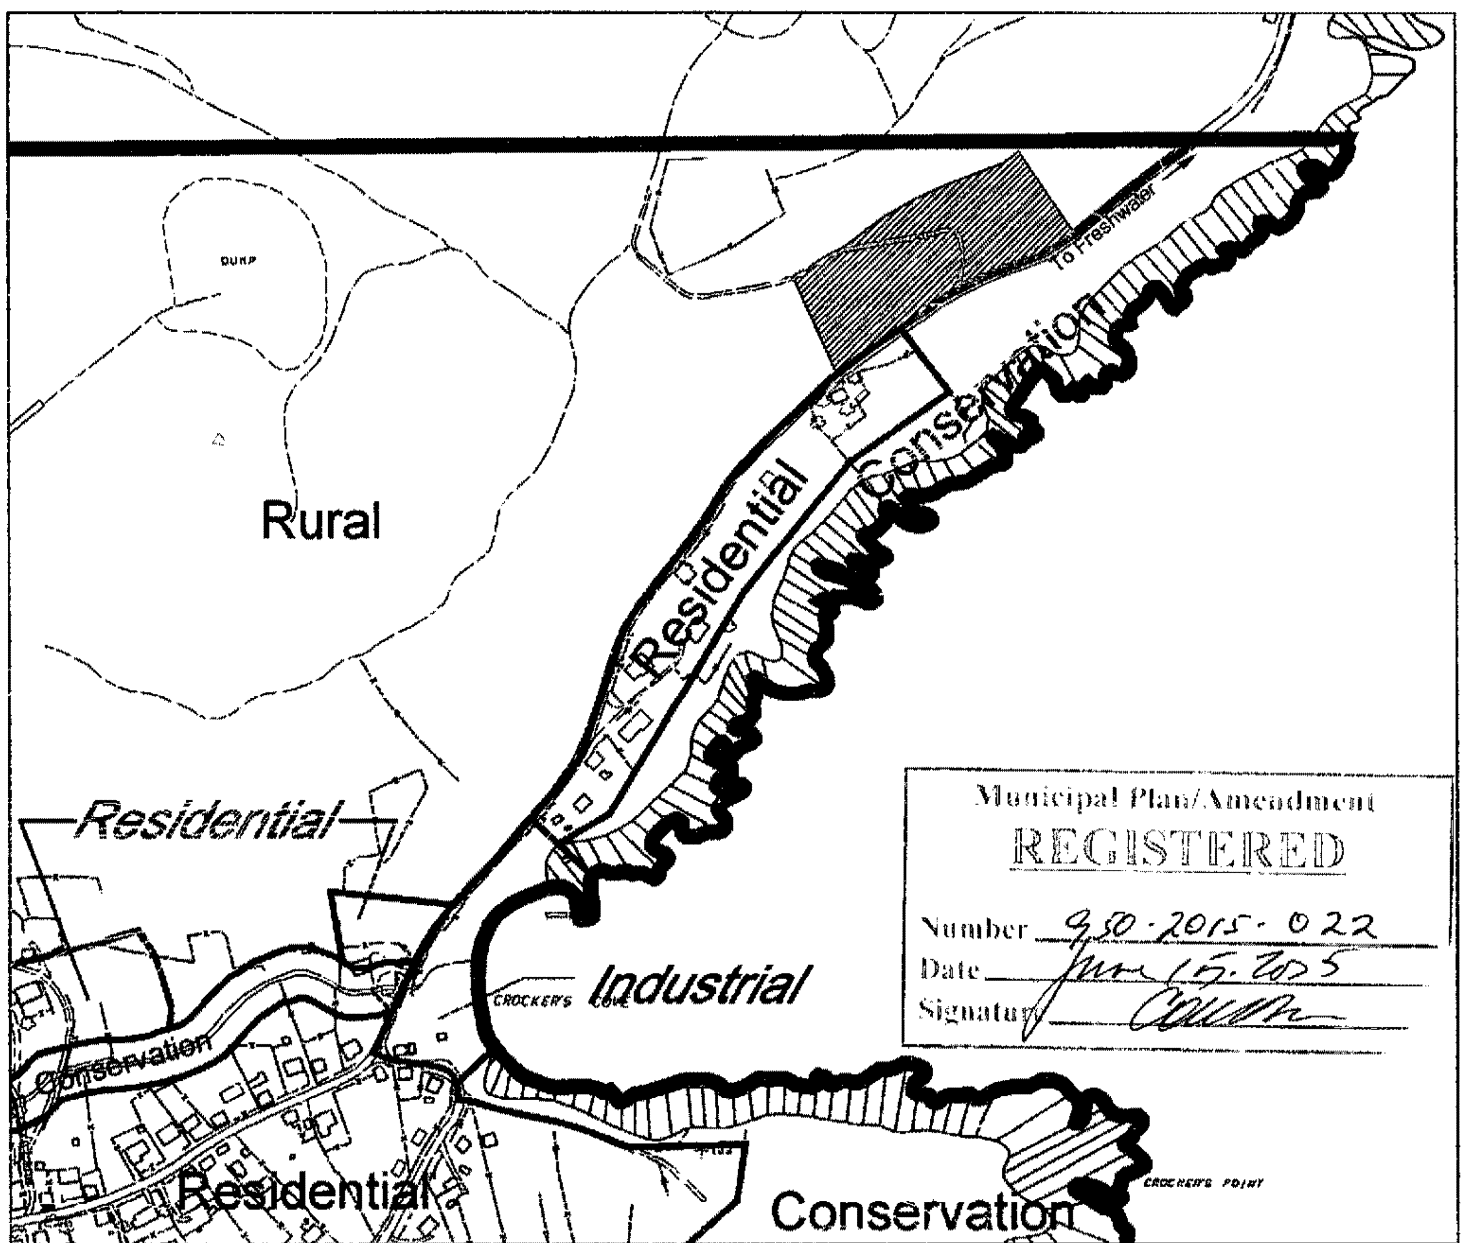

PUBLIC CONSULTATION

During the preparation of this amendment, Council undertook the following initiatives so that individuals and groups could provide input to the proposed Municipal Plan amendment. The Town Council of Carbonear published a notice in *The Compass* newspaper on December 2, 2014, advertising the development proposal seeking comments or representations from the public. The Town Council placed the proposed amendment on display at the Town Office from December 2, to December 9, 2014, for residents to view and to provide any comments or concerns in writing to the Council concerning the proposed amendment. No verbal or written comments were received during the time period.
