BACKGROUND

The precise working of this amendment is set out below.

PUBLIC CONSULTATION

The October 30, 2003 information session for this amendment was advertised in the October 12th and 19th editions of the Shoreline. No representations were received for the information session.

MUNICIPAL PLAN AMENDMENT NO. 1, 2003

1. The Planning Goals of the Colliers which are set out below:

3.1 Planning Goals

- ◆ To preserve the low density residential character of Colliers.
- ◆ To encourage business development.
- ◆ To enhance and protect the environment and natural and historic resources.
- ◆ To ensure that Colliers grows in an attractive, orderly and economic manner.

Are amended by adding a fifth goal so that the goals statement now reads as follows:

3.1 Planning Goals

- ◆ To preserve the low density residential character of Colliers.
- ◆ To encourage business development.
- ◆ To enhance and protect the environment and natural and historic resources.
- ◆ To ensure that Colliers grows in an attractive, orderly and economic manner.

♦ **To encourage sustainable development.**

2. A new Objective F is added following Objective E on page 10 of Section 3.2.1, which states:

F. Objective: To Encourage Sustainable Development

Policy: The Town may permit generation windmills or wind turbines in any designation in the Town of Colliers as a discretionary use, subject to the following considerations:

- (a) The wind mill or wind turbine meets all applicable Provincial and Federal requirements, including those applying to safety and environmental concerns;
- (b) Newfoundland Power and/or Newfoundland Hydro has no objections to the proposed facility;
- (c) The wind mill or wind turbine does not create a hazard to nearby properties and does not negatively affect the use and enjoyment of nearby properties;
- (d) Where there is more than one windmill or wind turbine in a group, or where the tower exceeds 15 metres in height as measured from the base, then this development shall not be permitted in the Residential, Residential Seasonal, or Mixed Development Zones.

The Town, in its discretion may choose to issue a temporary permit for a wind mill or wind turbine.
