TOWN OF HOLYROOD **MUNICIPAL PLAN AMENDMENT No. 3, 2017**

BACKGROUND

The Town of Holyrood is proposing to amend its Municipal Plan. The Council has received a proposal to develop a botanical garden and recreation area including a picnic site and playground area. An interpretation area for native shrubs and trees along with a demonstration compost area is also being proposed. The proposal also includes a nature reserve, walking trails and a studio observatory.

The site is located approximately 650 metres west of the Conception Bay Highway on a proposed area of 8 hectares and is considered as Crown land. A new road is required to access the site from the Conception Bay Highway.

Municipal Plan Policy 3.2.7, Open Space Recreation, does not address botanical gardens and associated uses such as a recreation use. The proposed amendment will add a new policy to address botanical gardens as a recreation use.

The area is presently designated as Residential Open Space/Conservation on the Holyrood Future Land Use Map. The proposed development requires amendment to re-designate land from Residential to Open Space/Recreation.

ST. JOHN'S URBAN REGION REGIONAL PLAN

The St. John's Urban Region Regional Plan has the area of the proposed development is designated as Urban Development. Open Space and Recreation uses are permitted this Land Use designation. An Amendment to the St. John's Urban Region Regional Plan is not required.
