Conditions and Privacy Notice

The Department of Tourism, Culture, Arts and Recreation (TCAR) funding may be used only for the purposes specified in this application. Once TCAR has agreed to provide financial assistance, no substantial change in these activities shall be made without the written consent of TCAR and it shall be at the discretion of TCAR to determine what constitutes substantial change in each case. TCAR reserves the right to determine the extent and type of information required to support payment of the grant. Further, TCAR may require that an audit be undertaken to verify the purposes for which Government funds have been utilized. Any funding not used for these purposes must be returned to TCAR or becomes a debt due the Crown. The organization/group is wholly responsible for its own debts. TCAR will not consider any application to pay debts. If any part of this funding is used to pay salaries or honoraria, federal and provincial laws concerning salaries and source deductions must be applied (i.e. deductions for income tax, unemployment insurance, etc.).

Whenever appropriate, public acknowledgement of funding by TCAR is expected. Publications should clearly acknowledge TCAR's assistance. A standard statement of acknowledgement is available on request. The organization/group agrees to respect and apply the spirit and provisions of existing human rights legislation. Under the Access to Information and Protection of Privacy Act, 2015 members of the public may request and obtain access to information held in Provincial Government records. Should a request be received for information about this grant application, TCAR may consult with you prior to disclosing any information. It should be noted, however, that only personal information and certain third-party confidential financial information may be withheld. When funding is approved, the amount of funding, the purpose for which the funds were granted and the name of the organization receiving the funding are considered public information.
