

## **SECTION 801**

### **OWNER'S POLICY**

To ensure protection of the environment, the work at all times shall be subject to inspection by the staff of relevant municipal, provincial and federal agencies. Normally, all inspections other than by the Owner's Representative will be arranged in advance through the Owner's representative. Any specific matters relating to environmental protection will be dealt with between the Contractor and the Owner's representative.

Any violations of environmental permits or authorizations or any environmental related incidents which are observed by inspectors representing regulatory agencies are to be reported by them prior to leaving the site to the Owner's representative. Except in emergency situations, environmental protection measures required by other agencies must be approved by the Owner's Representative prior to implementation by the Contractor.
